RULIES NEWS

Well during the holidays the 2nds had 3 losses and the 1sts had 2 losses and 1 win.

The 2nds found it hard to put their regular side on the field which may account for their 3 losses, to R.A.A.F., Cootamundra and South Wagga Tolland Dons. The Pewter winners in the order of the games played were Mal Vogan, Graham Bishop and Roy Davi (Bush Pig) - one of the few pewter winners in the 2nds that have been able to scull the enormous pewter.

The 1sts were unlucky to go down to R.A.A.F. in the first game of the holidays, after leading all day they were overhauled in the dying minutes of the game. The Pewter Winner was Robert Ashe - it is believed Ashy has permanent up marks in the Pewter.

Against Cootamundra, after keeping with the 2nd top-side for the three quarters, we died in the last quarter to go down by a couple of goals. The Pewter Winner was Phil Jackson - Growler said he did it all to impress his Dad.

The game last Saturday was the big win for the holidays against one of the supposed top sides in South Wagga, Tolland Dons. A worrying aspect of the game, however, was once again that we faded badly in the last quarter. The Pewter Winner once again was Neil Bruce with his usual non-stop effort in the centre of the ground.

After the completion of the 1st Round, College is running in equal 4th spot on points but sixth spot on percentage.

Thanks must go to all those blokes who made the effort to come back during the holidays to play. I think this is one of the few, if not, first years that College hasn't had to forfeit games - particularly the 2nds - during the holidays - GOOD SPIRIT BOYS.

So let us all get behind Peter and Stretch and made the effort to get to as many training sessions as possible, and College is certain to come steaming home with a wet sail in the second round.

Congratulations to ASHY, STRETCH, POTTSIE & BRUCIE for making the C.R.L. training squad.
