.....

FOUND - one ladies watch and one ladies ring. These maybe claimed from the Amenities Office upon description of same.

.....

PHONE - The phone situated in the meeting room next to the Billiard tables is a GENERAL STUDENT PHONE. If you hear it ringing ANSWER IT - it's purpose is for people phoning from outside to contact people who maybe in the Union - or to have calls switched through to the dorms. It's not 'heavies only' or 'Aggies Only' - its for everyone. Don't be selfish - answer it.

FAITH RESTORED! I hope they don't fit ... the jeans someone 'borrowed' from the ladies change room in the gym. It continues to amaze me that there are people in this College who are so bloody lousy to stoop so low to stealing a fellow students clothes.

At least the person shows good taste as they were bloody expensive.

I hope the person accidentally picked them up and will return them to the gym as soon as their 'mistake' is realized.
Carol Howard.
