WOMENS' HOCKEY RESULTS FROM SATURDAY

R.C.A.E. (1) were defeated by Nangus 3 - 0.

College seemed to miss the guiding influence of coach, Charlie, on the sideline and seemed to lack the cohesion of previous weeks.

RULIES NEWS

Well as I predicted in my previous article, a double win was recorded at Junee with the seconds playing a fine second half of football to record a narrow win to the tune of 7 - 6 - 48 to Junee's 6 - 6 - 42.

If the side can combine for all full game, this side can be a real finals threat. Best players Steve Hookfoot Palmer, who kicked 5 - 4 (Pewter Winner) and Mal Vogan who played well in the ruck. (I've been told that the reason for Steve's sound game was that on Friday he bought the bottom half of a tracksuit. Next week Steve buy the whole thing !

Well the firsts had a narrow win after being 5 goals down at half time to break even by $\frac{3}{4}$ time to struggle to a 2 point win with the scores being 11 - 15 - 81 to Junee's 12 - 7 - 79 at full time.

It was not an impressive win as far as a football spectacle as I thought we played well below our best. However, it was a good win under tremendous pressure which shows that the team has a true fighting spirit.

Pewter winner once again was Neil Bruce (it's not true that Neil lays \$5 for the pewter each week, it's more like \$10.)

* There is definitely a meeting at Tolland - 8 o'clock on Wednesday night. *

Also a large role up at training is expected this week before the holidays.
