ARTIES LAST RAGE

8th DECEMBER - THURSDAY - 6.00 p.m. CREATIVE ARTS CENTRE

Kindergarten Kool - \$2.00 (Tickets at Centre)

In conjunction with Annual Exhibition.

Dear Barph,

Six (6) people I know have received mysterious notes in the mail which they were too scared to tear up, but which they were also hesitant to act upon.

The notes consisted of a photocopied "Prayer for Good Luck", with instructions to pass the "Prayer" on to 20 other people - one copy each.

If they complied with the instructions within 4 days, the note said they would receive good luck and gave examples of people who had good luck.

On the other hand, the note made the threat that, if the person was to disregard the demands, then they would receive very bad luck and could be in fatal danger.

What a load of C R A P ! ! !

If any other people receive this stupid little piece

of paper - put out by people who are too spineless to even sign it - I hope they will follow my example and either tear it up or put a match to it.

This is supposed to be a black magic paper, but it was also supposed to be written by some saint - I don't think the two go together. I'd have to ask someone in C.F. to find out for sure.

F.M. RADIO - COMMUNITY RADIO WORKSHOP

Any students that are interested in attending this Workshop in Armidale from 19th - 23rd January, 1978, could they please contact me immediately via my pigeon hole in the Student Offices, or otherwise this is for people interested in the F.M. Station to be set up at Rivcoll. The workshop will offer practical assistance to those in or going into community radio, by way of technical information or information needed by programmers.

The people to go will be chosen on merit by members of the S.R.C. and funded by the same, which includes residence if needed.

WAYNE BOLIN.

It seems that E² are often thanking people, but this year help was never needed so much as it was at the 3rd year party.

Without the help of people such as Peter O'Connor, Jim Armstrong, Kris Albietz, Shane Walker, David Bryant, Chris Killarlea and stacks of others, the night would have been much less enjoyable.

E² would like to wish you all an enjoyable holiday and hope you have a Merry Christmas.

In 1976, for the first time, we were able to welcome a participant from Australia to the Fortnight and we hope that Australian students will wish to take part in 1978. I should be grateful if you could display the leaflets on your notice boards and refer any enquiries to this office.

FURNITURE

We want to buy your furniture -

- (a) to save you being ripped off downtown
- (b) so we can sell it at fairly low prices to incoming students next year.

We will have the use of a tabletop truck this THURS. 8/12/77 from midday until 5 p.m. If you want furniture picked up, see Toby or Yvonne in Student Amenities Office before Thursday.

P.S. We can't offer you what you paid for it - downtown businesses would have ripped you off when you bought it - they have to pay their overheads and make their big profits. Remember we're buying it from YOU to take it off your hands and SO WE CAN RE-SELL IT AT STUDENT-TYPE PRICES.

This is a service for full time students only (we're sick of staff trying to use this service and then demanding high prices.
