The S.R.C. feels that College Administration unjustly gave too short a notice for students to enrol. 3 days notice is not long enough for students to:-

1. first of all realise they are expected to enrol;
2. fit a time in to see their Advisor;
3. organise their timetable;
4. work out clashes etc.;
5. find a suitable time to actually physically enrol.

The S.R.C. will, therefore, represent any students who feel they have been unreasonably fined for late enrolment.

Don't you think it is time College Administration held some respect for students?

Neil Quinn, S.R.C.

RESULTS OF A.U.S. REFERENDUM

It was disappointing to see that only a few people, as compared to the number of people at College, felt strongly enough to vote in an issue that involved every student at R.C.A.E.

The results were:-

In favour of Riverina College remaining affiliated with A.U.S.	- 189	YES
	- 88	NO

Outcome: R.C.A.E. remains a member of A.U.S.

Letter to Barph

I'd just like to express my appreciation to those refined gentlemen who held a keg (several in fact), in the Sports Union Building, (our Table-Tennis hall), over the week-end.

Of course, you all know who I'm talking about. Yes! The Aggies! Such a nice bunch of boys; well mannered, etc.

Getting back to the main point. I just want to thank the boys for looking after the building so well.

- This time they only smashed two windows, two holes in the floor, covered our result sheets in mud (for the second time in 3 weeks), and carpeted the floor (every square inch), with beer, water and more than likely piss.

Quite a record for these filthy animals - I'm surprised they didn't completely wreck the place.

- Well done boys!

SNOOKER NEWS FOR THIS WEEK

Well we travelled to the R.A.A.F. Base last Tuesday to play the Sargents at their Mess at the R.A.A.F.

1st "AWAY"

Our Junior Daryl Lawson was first off the ranks, he played John Parker. John is a very experienced player. Daryl started well, with the game starting very slow with only a few points in the first 15 mins - later the game became a bit more serious and John shot to the lead 23-6. Daryl came back with a few brilliant shots to bring the score to 25-38, but was unfortunately between 56-25. Good work Daryl, a good display among Seniors.

2nd "AWAY"

Graham Bruce -v- Fred Clarke. Well Graham made a few grand shots, from the beginning making his opponent lose a few vital shots. I must congratulate Graham on some brilliant shots he made. In the first 15 mins. Graham scored 29-9 at the 20 min. mark and really showed his opponent that he really meant business. In the final stages of the game, Graham had shot to the lead with 44-11. The final score was too good for Graham's opponent - Graham 58 Fred 42. Fred Clarke thanked Graham for a very good game - good work Graham from all of us.

3rd "AWAY"

Peter Ponting -v- Geoff Gahan. Well Peter got away to a slow shot with a lot of slow shots but showed his opponent that he also meant business, to bring the score up to 9-8 in the first 10 mins. After this Geoff decided to get a bit senior and shot to the lead with 28 -11. Peter kept his opponent at bay for some. Unfortunately Peter went down 21-61 - bad luck.

4th "AWAY"

Ken Pringle -v- Ken McNeill. In this game the first 10 mins. was very slow with both Ken and Ken only scoring 1 each. After a while Ken (RCAE) shot to the lead with 7 to 5. Ken P. then shot to the lead with 15 to 6. Many snookers were played for in this game and it was a very thrilling game to watch. Ken came to the lead with 36 - 15, but Ken was too good 54 to 27. Good work Ken.

Many spectators watched the game and clapped at many good shots.

5th "AWAY"

Col Hurst -v- Henry Puslednik. Well this was a very good game. Unfortunately playing my own game I didn't see much but Col won by 43-28 - good work Col. Best regards from us.

6th "AWAY"

Myself - well discusting 102-38 - but I had to play the R.A.A.F. top player.

Best regards,

Henry Hounsell,  
Publicity Officer.

RULIES NEWS

I've been told not to start my articles with well! SO.

Both rugby 1st grade sides are in the fore, so is the soccer side, and not to be outdone so are the rulies, in clear 3rd position.

This was obtained through a magnificent fighting effort by the boys last Saturday afternoon, where a great win was recorded over the topside, ARMY. We being the only team in the Comp. to beat them out at Kapooka. After being behind by 4 goals at half time, the boys picked themselves up and came back in the 3rd quarter to be only down by 7 points at the change. This is when the real battle started with College and Army, trading goal for goal; things didn't look good until the boys raised another effort with superb teamwork and a couple of magnificent goals from Robert Ash and Neil Bruce to clinch victory by 5 points.

The Pewter Winner was Neil Dal Nevo with a tireless display against the top ruckman in the league, but a magnificent display was given by every player with a true team effort. "Try to say we are not a premiership threat now, Ross Ingram."

The 2nds played a good game and after reaching the lead early in the last quarter we died a bit and were beaten by 2 goals. The pewter winner was Mal Vogan and good games were played by Dave McConnell, Mark Conlin and Mr. Paul Greenwood (SIR). Another win for the 2nds is just around the corner, also many 2nds players are pushing hard to get promoted into 1sts and regular attendance at trainings would enhance their chances.

So overall, it was a good day for the Bushpigs.

I'd like to extend thanks on behalf of the players to Betty, Jenny and Peter for the breakfast and we were glad to show our appreciation with a win.

- We have a bye next week with the rep. game on.
- Don't forget the meeting at Tolland Hotel at 7.30 on Wednesday Night, as many people as possible try to get there.

- Training      Tues.      4.30  
                          Thur.      4.30      at South Campus Oval.

- T-Shirts should be available this week from Neil Dal Nevo, Kim Preston, Steve Palmer, Mal Vogan or Ian Dalgliesh.
