# BEARDS BULLSHIT

Dear Readers,

Yes, it's true, Beard's Bullshit makes a timely return to your coffee tables throughout the turgid typesetting of Teminal BARCH.

In this the final edition of BARCH for the 1970's I'd like to take the opportunity to wish well all those final year students who are leaving these hallowed halls. To all those students (and others) who have made the past few years enjoyable for themselves and their colleagues. Good on yer and good luck for the future. For all those others who've done their best to make things miserable - Get stuffed!

Well, RACE will be out this week, a little late but better than nothing. At 12 pages it's a bit depleted nothing like our incredible 48 pages in "O" week but then we were lucky to get those 12 together. It was disappointing that very few clubs put in annual reports. I think that if clubs spend student money they should be responsible for publicising their years activities. But to our regular contributors. Thanks. By the way RACE will be a limited edition so get in early.

As for BARCH, again I'd like to thank our regular contributors and advertisers as well as you the readers, without these three groups it wouldn't be worth doing (that makes sense doesn't it?) We've received some good reports about BARCH lately and I must say that's certainly pleasing. But I think the only major change I've initiated in BARCH is the continuing use of Rivcoll Waterwheels as a "letterhead". After all BARCH is sent to a great many people from all walks of life including other tertiary institutions and as it published for and by the students at R.C.A.E. I think it is well worth as advertising as a product at Rivcoll.

Well to all my friends at Rivcoll Good luck and best wishes

P.S. you never know, if I get time of for good behaviour, I might see you in "O" Week 1980.

FOR THE LAST TIME

T T TEAMS'S MIXED SUCCESS (OR LACK OF IT) ...

Well, we are certain to win one grade in in this evening's table tennis grand finals - B2 grade where RCAE White and RCAE Blue will carry out a battle. These two teams have shown fine form in the second half of the comp., with Blue winning their last seven matches, and White eight out of their last nine, losing only to Blue.

For Blue, Jenny O'Dea has probably the best record of any player in the grade. Jenny will be supported by other guns in Glen Sullivan, who was a member of the College side which won this grades last year, and them leader and strategist Roger (The Dodger) Hibbard. White will line up with the usual mob of W Block deadbeats, - Paul Dempsey, Mick English and Dick Arnett. Good luck to both teams.

RCAE Grey will be strongly favoured to win B1 after the good form of Cuttsy and Brian Gillis last week. Philip (Python) King also played. The minor premiers and their probable opponents suffered injury during their semi and were eliminated.

Pink will front up in the C grade grand final with a lot depending on Mike Galvin to win four matches. Jan Belford and Lesley Garrett will be supporting.

In A Grade and A Reserve our teams were bundled out, the score being 6/5 in both cases. A Reserve Green should have won about 9/2 - I haven't seen the players since (they're too chicken) so I don't know what their excuses were.

So, the end of another successful season wins in both the Australian and the N.S.W. Intercollegiates, a record number of teams in the local comp, etc, etc, We are losing a number of stars who are expecting to graduate and of these I must mention in particular Eugene (Smiley) Ong, who has been a gun player for four seasons. Member of two winning Intercol teams, winning A Grade team in 1978, "Terror of the Table at Tulloch", his list of honours is endless, in spite of his unwillingness to practice. Good luck, Eugene, and please send some of your friends to Rivcoll.

Coach.

# THE MANAGER'S COLUMN

The ultimate or terminal BARP for the 1970's is upon us all too quickly to signify the end of the year marked by some achievements and a lot still to be done. It is with some sadness that I bid final year students farewell and good luck. Many of the people leaving have made very significant contributions to student affairs at Riverina College, often with not so much as a "thankyou" to show for it. There people are going to be difficult to replace but hopefully, others will emerge to fill their shoes in 1980.

Because this is the last issue of BARP for 1979, I would also like to thank all the College staff who have assisted the student organisations. The fact that I have been very critical of certain policies adopted by the College, does not mean that relationships at a personal level have suffered. There are many, many college staff who have been very helpful and supportive of student affairs this year and who will continue to be next year I hope.

Let me also say that to a large extent, the success of a student organisation, particularly financially is due to the organisations staff. To the thirteen full time staff and the many casual who were employed in 1979, thankyou for a tremendous effort, often under less than favourable circumstances.

Orientation week 1980 is shaping up very well and looks as though it will provide something for everyone, no matter what their interest and tastes. Activities commence on Monday 25th February so come back early and participate - don't vegetate.

To all graduating students - there will be a Graduating Ball on 11th April, 1980 in the Union and gown hire will be situated in the Union rather than on South campus - See you in the Union on 10 & 11 April.

Finally to everyone who cast their beady eyes over this illustrious rag - Merry Christmas and good luck in 1980

Manager,  
Student Organisations

## SUCCESSFUL SQUASH SEASON CONCLUDES .....

No official College teams in the local squash comp finals this week, but at least one club member will be in the winning A Grade team. In the grand final in A Grade Peter Reynolds and Miie Mitchell are in one of the teams and Doug Stewart in the other. Stewart Vs Mitchell could be crucial match. What drama? Jan Belford and Tony Hepworth were in teams eliminated in the semis.

Definitely a successful season, winning both men's and women's N.S.W. Intercolls and the Australian Women's Intercoll.

Farewells to a number of our top players. Scruffy is rumoured to be about to graduate a year's holiday did him good and he got the message. Julie Ferguson, the top player in intercolls for the three years that she has been here, will be much missed. It is not too late to get to the top, Julie. Mal (The Mouth) Campbell - well, what can I say? He had definitely made an impact on squash at the College.

Some promising women players seen around this year - Deirdre MacDonald, Mary-anne Sladek, Deirdre Lockwood - but where are all the men? The N.S.W. Intercoll will be held here in Wagga on 19 and 20 April next year, so keep practicing over the vacation.

Yellow Dot.

# Crickette

HI THERE SPORTS FANS,

WELL THE RIVCOL CRICKET SEASON IS OVER NOT ONLY FOR ANOTHER YEAR BUT FOR ANOTHER DECADE. AND WHAT A SEASON IT WAS! OUTRIGHT WINNERS OF THE 1979 ROUND ROBIN WERE THE UNBEATEN "BUCKLEY'S CHANCE XI" WHO DISPLAYED IMPRESSIVE FORM AND DOGGED TENACITY IN THE FACE OF MORE SEASONED OPPONENTS. MUCH OF THE CREDIT FOR THE OUTSTANDING SUCCESS OF THE COMP. MUST GO TO GREG DANKERT AND HIS "W" BLOCK CONFEDERATES FOR THE BRILLIANT ORGANISATION OF THE ROUND ROBIN. SURELY LOGISTICAL TALENT OF THIS CALIBRE HAS NOT BEEN SEEN AT RIVCOL FOR MANY A YEAR.

WELL DONE GREG!!!
