### CHEAP FURNITURE

The used furniture market will be open between 11.a.m. and Midday from Mon. 27th to Friday 3rd.

The market is the green tin shed next to the University Book Shop on Main Campus.

Run by the Student Union, the market is the cheapest in town. TRANSPORT can be arranged.

Outside the above hours call at Student Amenities Office.

---

### STUDENTS INFORMATION EXCHANGE

A good place for new students or old students or staff to find out anything about everything around College is the Students' Information Exchange at the meeting room in the Union.

The Information Exchange will be manned by people from Student Offices and Student Services and the Admin. as well as students.

Drop in for a chat or a look around if you can't find somewhere to live; how to find a job; what dances and club activities and movies and sport etc., etc. are on; who to see if you are having problems with your course or the Admin., or your friends or family or whatever.

Hopefully the Exchange will develop into a valuable resource where people can be plugged into the right slots for where they want to be. It works the other way too - if you are arranging an activity that you want people to hear about - please leave details and put up a poster.

WARWICK PETERS,  
STUDENT COUNSELLOR.

---

### HEALTH INSURANCE

Are you covered under your parents scheme? If not, does being a student automatically get you basic Medibank cover? What else do you need? There will be reps. from Medibank - who understand the entire Health Insurance area - present in the Gym - Joyes Hall - with enrolments - all week. They will advise you clearly and impartially. See them when you enrol.

---

LAST YEAR SEVERAL STUDENTS SHOWED AN INTEREST IN FORMING A PEER-COUNSELLING GROUP ON CAMPUS.

Warwick Peters, the Student Counsellor, has indicated that he would be prepared to supervise the training of students in elementary counselling who are prepared to work voluntarily in the college situation. Any people interested in being part of this project should contact either John Wallace, C/- the Student Amenities Office or Warwick Peters C/- Student Services, or ask at the Information Centre.
