BARPH 1981

A STUDENT WELFARE COUNCIL PUBLICATION.

WEEK ENDING MARCH 2nd.

RIVCOLL UNION. RIVERINA COLLEGE OF ADVANCED EDUCATION WAGGA, WAGGA.
REGISTERED FOR POSTING AS CATEGORY B.

EDITORS: ORDETTE MANNERING
 JULIANNE MURTAGH

TYPISTS: JULIE SMITH
 ORDETTE MANNERING

PRINTER: GRÈG KEEGAN.
 Julianne Murtagh.

WE THANK THE ASSISTANCE OF:
 DYLAN
 STEPHEN MANION
 SPHINCTER

PRINTED ON THE RIVCOLL UNIONS' STUDENT
 WELFARE PRINTING PRESS.

Gooday,

And a warm welcome to all 1st year and returning students. Not to mention the staff.

This special edition of BARCH is basically designed for new students; to inform you of general info on the Union, Wagga and so on. You will find parts of this edition useful and parts not so useful, BUT...hang on to it as it will fall into place sometime during the year.

BARCH is the weekly Student Welfare Publication, intended to inform, amuse, and involve you in what has, is, and will be happening in, on and around campus. Anyone may submit articles, to be left (legible) in the Union Office before 4:00 pm on Friday. Sport articles have a deadline of 10:00 am Monday morning. Barch is usually available on Tuesday morning.

After 3 paragraphs of rhubarb, we would like to wish you a top little "O" Week rage, meet lotts people and make it a gun effort. If you feel a bit lost, bail up one of the bod's in a blue T-shirt with a blue Eureka flag on the front. Don't hesitate to ask them any non-personal questions.

Ok, now get into it. Have a rage, eat, drink and merry.

(alright so don't eat so much)

Thanks for Cumming.

"Copulater"
 The Editors.

BARCH DISTRIBUTION.

BARCH is printed on Monday and is distributed on Tuesday to the following:

BAROOMA CAMPUS- Library and canteen.

AG. CAMPUS- Union, Union Office, Co-op Store, Uni bookshop and Bar.

rod's rave

ACTIVITIES OFFICER - ROD GILLETT

The position of Activities Officer can best be described as that of an Activator, a Facilitator and an Organiser.

As an Activator the Act off should stir the senses and create possibilities within the minds of students. This can be done by suggesting new and idfferent ideas, things, or ways of doing things that will supplement the traditional round of dances, concerts, B.B.Q.'s and beer bashes.

The rôle of Facilitator follows that of an activator in that the Activities Officer will work with students to achieve particular aims and goals. He may suggest innovative ways of achieving these particular aims and goals.

This can best be done by meeting face to face with the person/s concerned and working through a particular problem step by step until it becomes clear how a goal is to be attained and how best to achieve that end. This rôle includes acting as a resource person for all clubs.

One of the main rôles of the Activities Officer is to act as an Organiser. If a goal is to be reached someone must set out the guidelines, decide what is to be done, do the job (or find someone else to do it) co-ordinate the efforts and finally present the finished product in conjunction with the Union.

The main responsibilities of the Activities Officer are: to co-ordinate the activities of the affiliated clubs of the Union, to facilitate student involvement in sporting and cultural activities and to act as a resource person in matters relating to sport, culture, entertainment and student political matters.

I trust that any student can feel free to approach me at any time concerning student activities at Riverina College.

SPECIAL NOTICE

LITERATURE/DRAMA MAJOR

Students are advised that this new strand of the B.A. Liberal Studies has recently received H.E.B. approval. It is now available to students of the College and will be taught on campus from the beginning of Autumn Semester 1981.

Students of the course will be required to take core subjects which combine literature and drama and will then have the opportunity to specialise in literature or drama or a combination of these areas.

Interested students should contact their course advisors or see members of the literature and drama staffs for further details

Literature: Fred Goldsworthy, Rm 10 East Hall, Ph. 465

David Gilbey, Rm 11 East Hall Ph. 468

Drama: Ray Goodlass, Drama Dept. General Services Complex Ph 472

Colin Anderson, Drama Dept. General Services Ph. 473

TEAS

Mrs Wendy Brooks will be available to assist Students with TEAS problems at the TEAS office.

Mon, Wed, Fri, 10am - 2pm.

All application forms should be taken to the office to be checked and despatched to Sydney.

Students trying to establish their Independence should contact the office as soon as possible.

Wendy Brooks
Commonwealth Education
Officer, TEAS.

CHANGING ADDRESS?

You must notify the TEAS Office IMMEDIATELY to prevent delay or loss of cheques and letters. We need at least a fortnight's notice to redirect cheques.

If your cheque is

LOST
STOLEN
DESTROYED

or NOT RECEIVED BY THE FRIDAY POST of the week it is due you must contact the TEAS office at once. A duplicate cheque will be issued in 10-15 working days.

Wendy Brooks

On Campus Office, Mon, Wed, Fri, 10am-3pm.

RACE

RACE is a student publication which will be printed and circulated within the next two (2) weeks.

All articles from students and others are welcomed.

Closing date for articles is Monday 2nd March at 4pm.

John Adams & Co
Editors.

STUDENT HIRE

To all welcome or welcome back as the case may be.

I would just like to remind you, that STUDENT HIRE is still operating, for those of you who do not know of STUDENT HIRE it is an employment agency for casual work administered by the Rivcoll Union to provide students with an opportunity to earn extra cash.

The system is very simple. There are no registration fees or commission charges. Students needing casual employment should

1. Come to the Union Offices and ask for Trish.
2. Fill in a registration card.
3. Check regularly with Trish for jobs.

People wanting to hire students, phone requiring gardeners, baby sitter, tractor drivers, painters, etc, etc

A base rate of \$3.80 is set but students may negotiate a rate with the employer above this for specialised work e.g tutoring. There are lower rates for baby sitting.

For further information come to the Union Offices.

All students who were registered previously MUST re-register this semester.

VOLUNTEERS REQUIRED TO DISTRIBUTE AND ADVERTISE STUDENT HIRE INFORMATION.

 You'll get to know the usual times.
 LIBRARY.....Who knows...who cares!!!

enrolment

home exam or open book exam (where you are allowed to take texts into the exam room) in place of the more traditional exam.

ENROLMENT ADVICE

Perhaps you have made up your mind before coming to the College about what diploma/degree pattern and what subjects you will be enrolling in. It is still worth your while to talk to all the people you can - both course advisors and students have direct experience with the courses and know about work loads, competence of lecturers and other sundry items which will make your academic life here either happy or unhappy.

What you enrol in during 'O' Week is not binding. You can of course change both schools and courses but this entails a great deal of bureaucratic red-tape on the part of the administration and sore feet for you!

Even if you have been offered enrolment in the school of your choice, you are not bound to follow the degree course you have indicated on your application. You may vary that each year as long as you conform to the school regulations for diploma/degree patterns.

Enrolment begins on February 23. You may vary your enrolment for First Semester subjects up until March 13. The last day to withdraw from First Semester or year-long subjects is May 26. Enrolments may be varied for Second Semester up until August 14. You may withdraw from Second Semester subjects up until October 2. Be sure to seek advice on course variation and withdrawal, it could prejudice your TEAS allowance. Wendy Brooks in Student Services is extremely helpful to all students with any problems involving TEAS and enrolments. Be sure that you check with her about any course variation and for problems with TEAS.

Attend different course lectures. You will find this an invaluable way of discovering the 'feel' of different courses.

During 'O' Week, the College's academic staff will be providing course advice and detailing more specific information on particular courses.

ASSESSMENT

When choosing a course it is best to learn what the actual requirements of the course are. Find out what topics are to be studied, and assessment procedures used. How many essays, tutorials, seminars, practicals and semester and end of year exams, and what they are worth towards the final assessment. You have then some idea of your work load, your daily and weekly commitments. If you are discontented with any course, see your course co-ordinator and talk about it. If it's a matter of assessment, see if you can work out an option. For instance a take-

Your test is completed.
1. Lay down your pencil.
2. Check your work.
3. Turn in your enrolment.

These options are becoming popular in many Colleges - replacing the traditional examination system. As well, try an option on a set topic; seminar paper or project. Ask also if the course co-ordinator will allow a choice of topics in a major essay or project. This also is quite common and well worth your while.

If you are still unhappy about the course, have a talk to the Dean of the School. They are usually most helpful. You might contact your student reps on the College Board. Matters such as assessment, special consideration and others are of concern to these committees. Students are elected to them and they offer an effective means of representation. Use your student reps. They are there to help and represent you. Use these structures, as they work for you and your interests.

SOME COURSE REQUIREMENTS

Check to see if a level of competence is assumed for any course you are undertaking.

EXPECTATIONS

Think about why you wish to enrol in a certain course. What do you hope to achieve? Might another course help in your choice of career? Ask students who have completed a course their opinion. College tutors are worth talking to; they may know others to talk with.

YOUR DIPLOMA/DEGREE PATTERN

In working out a diploma/degree pattern, you will need to note course offerings in later years, particularly if you are keen to major in one particular area. Peruse the College Handbook to see what combinations are permissible.

Find out if any subjects/courses are compulsory for particular degrees/diplomas, and if special options on individual reading and research courses are available. Note what courses are pre-requisites and co-requisites for later years. That way you'll have a better idea how to plan your courses.

Workload is very important when mapping out your diploma/degree pattern, at least in first year. If your workload takes its toll, don't hesitate to withdraw from one of your courses. Once again, be sure to check whether your withdrawal will prejudice your TEAS/Teacher Scholarship. Wendy Brooks can help here.

FAILING

If you do fail a semester or year long course you will need to refer to the Handbook and the course co-ordinator. Regulations vary but usually you will be able to do the course the following semester or year. Don't forget to enquire as to how this might affect your TEAS or scholarship.

HELP

If things aren't working out the best, you don't feel you are coping with a course or courses, talk it over with your tutor, lecturer, head of department or faculty dean. They are there to help you.

It is well to discuss with some "official" person any major problem which you may confront. This way you have "documented" evidence if you should require special consideration.

Other students are worth talking to, like a college tutor or another student in the course. It's not cheating to use another's notes, but more worthwhile to talk with that person. This often triggers off valuable discussion.

CHANGE OF COURSE

The Handbook has the last date for withdrawing from a course, whether it be semester or year long. If you feel you are falling behind in a course or no longer find it interesting or satisfactory extra help can be

arranged from your tutor, lecturer or counsellor. However, if you do decide to drop a subject or unit, pick up an Enrolment Variation form from Enrolments in Graham Block, have it signed by both the head of the relevant department and the Dean. To change schools, see the deans of both schools for advice and Enrolments for credit for courses completed in the school in which you originally enrolled. Likewise if you've completed courses at other tertiary institutions, you may be eligible to credit those courses towards your degree at Rivcoll. Pat Kelly can advise.

SPECIAL CONSIDERATION

If your academic work has been interrupted in any way during the year or exam time, apply for special consideration. If you have experienced hardship, illness or personal or other problems you are eligible for special consideration. A statement from a doctor, counsellor, staff member or employer who knew of your difficulties at the time and is prepared to give details on your behalf about how your studies were affected should be produced.

If your final assessment is borderline, your application for special consideration may mean a pass or special exam. To apply, obtain a form from Pat Kelly and your case comes up before the school committees. See regulations in the Handbook.

DEFERRING

The College will grant one year's leave or deferment at the end of the academic year or mid-way through. This is usually better than dropping out. Get some advice first, work your case out for deferring and consult the TEAS or scholarship people.

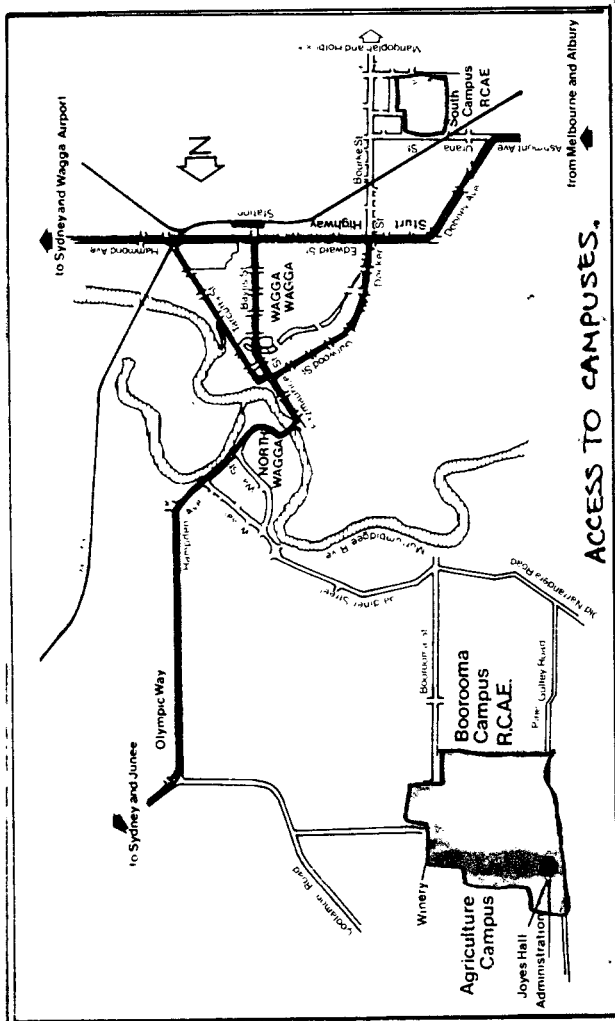

EXTENSIONS

If you find you are unable to meet a deadline for an essay, assignment, prac report or tut paper, ask for an extension of time before the due date. Ask your tutor or lecturer whether penalties are incurred if a piece of work is submitted later. If you were ill or having personal problems a statement/certificate from a doctor or counsellor is helpful. If you have problems with the course or the essay topics see the tutor/lecturer for help.

Rod Gillett
Activities Officer

WAGGA WAGGA

ABOUT WAGGA WAGGA.

Wagga Wagga is the largest provincial city in NSW outside the urban conglomerate of Newcastle-Sydney-Wollongong. With a fast growing population, (40,000) the city of Wagga is the centre of the Riverina, one of the richest and most productive primary producing areas in Australia.

TRANSPORT.

Wagga is accessible by rail, road, plane, from Sydney, Melbourne & Adelaide. There is a daily bus service to Canberra as well as interstate services. Train services operate every day to many country & city areas. Student concessions are available on all government transport from Wagga.

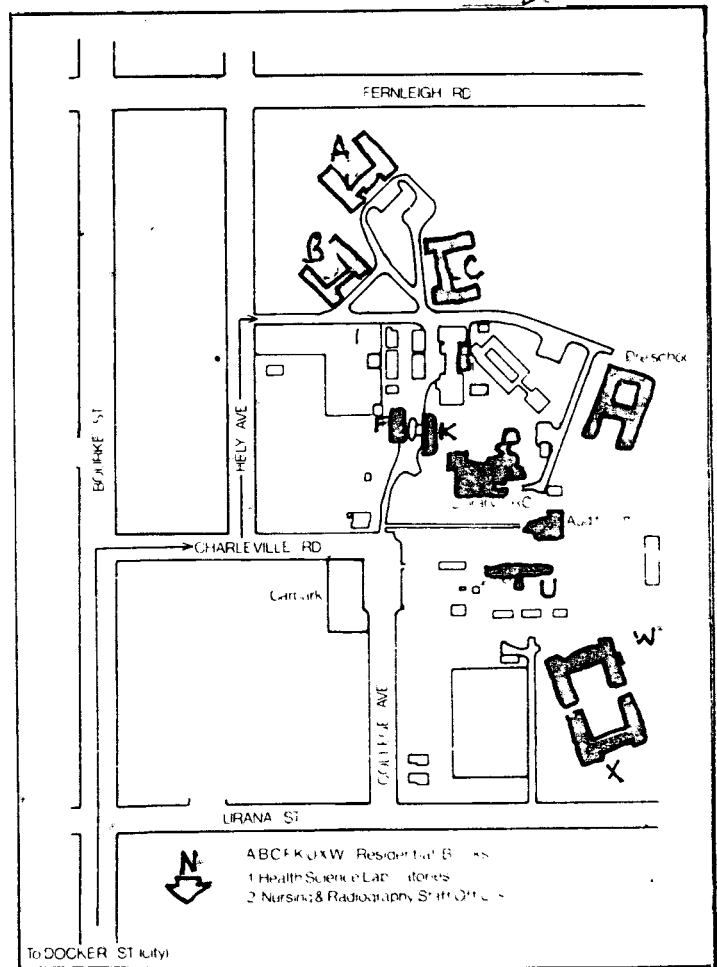

Sth. Campus

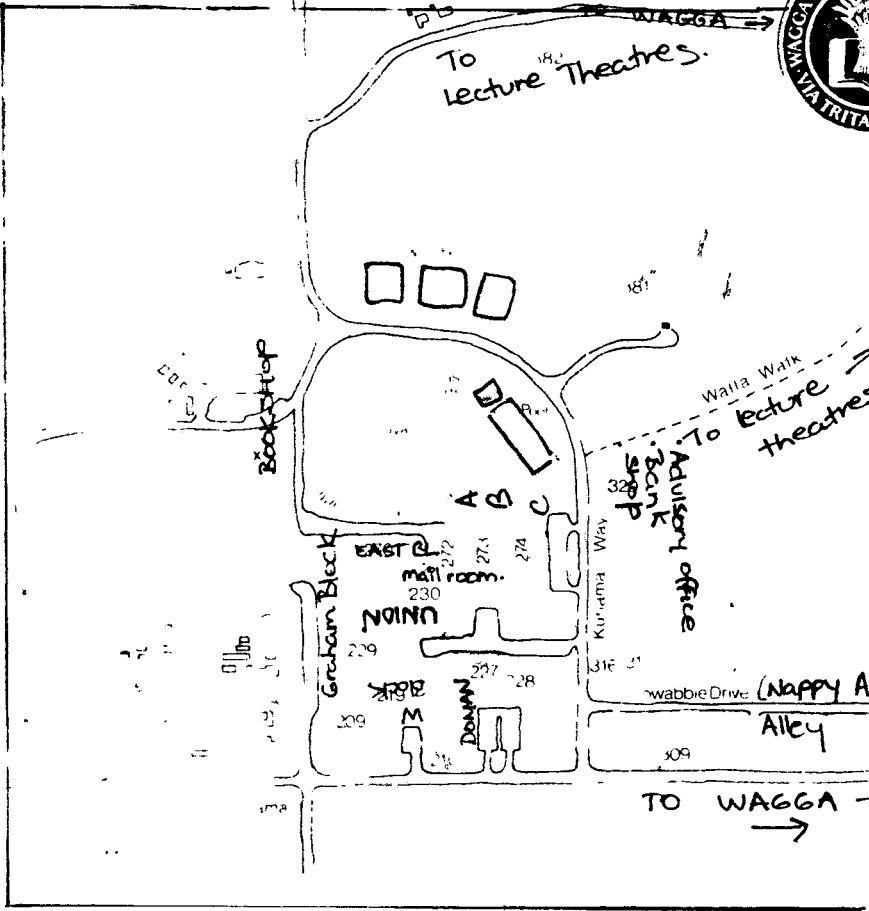

Riverina College of Advanced Education

Riverina College opened in 1972 with three Schools: Applied Science, Business and Liberal Studies and Teacher Education, on the site of the former Wagga Wagga Teachers College. In 1974 the College began moving to its present site north of the Murrumbidgee River and adjacent to Wagga Agricultural College which merged with Riverina CAE in 1976 to become the School of Agriculture. The Creative Arts Centre became the fifth 'School' within the College in 1977.

Ag. Campus

Facilities on Agriculture Campus

- Office of the Registrar: Student Admin. & Enquiries, Graham Building.
- Computer Services Unit, Graham Building.
- Curriculum Resources Centre and reading room - Graham Building (Until 1st step of IRC completed on Boorooma Campus).
- Reading-Language Clinic, Graham Building (Until 1st step of IRC is build on Boorooma Campus).
- Sutherland Laboratories.

7.05 p.m.	7.25 p.m.
8.05 p.m.	8.25 p.m.
9.05 p.m.	9.25 p.m.

A more extensive timetable of Buses is available from the Accomodation's office of exact stops.

E² E² E² E

E² would like to extend a warm welcome to all new students and of course to our returning supporters.

E² is the Entertainment Executive of Rivcoll Union, your student body. The Executive endeavours to bring you, the students, a variety of entertainment at the lowest possible cost. This year we hope to carry on that tradition, but due to budget cuts and the unwillingness of Melbourne and Sydney bands to travel we may miss out on some of the very biggest acts in Australia.

For first year students, your first experience with E² will be orientation week which is co-ordinated by E² and the Activities Officer, Rod Gillett. During the semester we present entertainment on Thursday nights and in the past we have been loyally supported by students which allows us to be an ongoing concern. These Thursday nights are a great opportunity to relax with friends and support the bar, while being entertained by a variety of artists.

As you will understand, E² must charge a cover charge on certain nights to cover expenses. These cover charges are just that, they cover costs, we are not out to make profits. We can only ask that you support your Union and E² and have a really great time at College.

Your Executive for 1981 is:-

John White, Robert Barnes, Ordette Mannering, Julianne Murtagh, Spiros Stathis, Anne Turner, Rosemary Provera, Donald Kirkpatrick, Mark Cooper, Ross Henly and Rod Gillett, the Activities Officer is an ex-officio member of E².

Finally, follow Barph and posters to find out what entertainment is coming your way. Entertainment put on by E² is advertised as such and presented by the above committee.

Yours in Entertainment,
John White
President

DDT

DEMPSEY'S DRAMATIC TOUR

Bus Tour of Wagga's Cultural Highlights departing main Campus 2.30pm Wednesday February 25. Don't miss it.

It's on again for young and old, this year's tour of Wagga's Kultural highlights. It will be bigger and better than ever!

This year, there are visits to all major beverage outlets will be included as well as a competition called SPOT THE BOTTLE'O

The winner will receive his marching orders for not being blind enough by the time he or she gets on the bus.

Again our very own Wagga Botanical Gardens and Zoo will be visited and also a stop off at Wagga Race Track is intended.

Tickets for this excursion into your mind are available in the Survival Kit.

A limit of 45 (drunks) will be allowed as we have only the single decker bus dur to that nasty incident involving the police last year with the double decker bus.

Unfortunately I will not be able to make it this year as your tour guide as I have previously committed myself to showing a group of elderly ladies around the lovely Wagga Municipal Refuge and environs. I have arranged for a suitable substitute in I Havanava, who is experienced in Women's Weekly Pub Discovery Tour Guide.

Hoping you all have a blinding time.

Yours in mind expanding tours.

Activities. COUNCIL

ACTIVITIES COUNCIL

Firstly, welcome all clean living, honest law abiding, new students. O.K. now we have said to those two boring inactive deadshits, its hi hi hi from the Activities Council Chairperson (whatever that implies,) you're very own commander of sin, Paul Dempsey.

You may ask what is this thing you call Activities Council. Well you may ask.

Basically it started from a humble beginning early in 1980 with a few non-sporting clubs, which were over-shadowed by the sporty brutes from the Sports Council. But, over the past 12 months it has developed into the largest council on the Union.

It is made up of the following clubs, each of which has a representative on the Activities Council: Ag Club, Art Club, Car Club, Christian Fellowship, Commerce Club, Kulture Klub, Drama Club, Entertainment Executive, Film Club, Life Management, Labor Club, Motor Cycle Club, Pak Hok, Outdoors Club, Overseas Students Assoc, Womens Support Group.

Monthly meetings are held in the meeting room of the Union. Most of the above

clubs are very active in their particular area and they look forward to increasing their membership at Club Day during Orientation Week.

You can join any of the above Clubs (Excluding the Kulture Klub) on Club Day, Thursday February 26 from 11am - 3pm.

The main idea behind the Activities Council is to generate involvement in any area. No longer do you have to be a 16 stone beer swelling hulk that doesnt mind taking it in the rear pocket or putting the boot into a hokker, to be involved with fun loving students.

The diversity of club activities makes sure that all tastes and moods are covered for a student.

Being a student should not just mean receiving a piece of paper at the end of 2,3,4, or 7 years (in my case) of Education at a tertiary institution. It should be total! By this I mean involving yourself in activities which have not in the past been on offer or which may not have on offer after you leave. This is virtually your last chance to experience a wide range of activities which could open new fields. Or just getting involved for the sake of a good time.

So lets get activated and make 1981 the year of the Humm Socio Cultural Multi Involved Rivcoll STUDENT.

Yours in Activities,
Paul Dempsey.

Rivcol Drama

And what, we hear you ask, is Rivcol Drama?

It's the drama section of this College and all of our productions are presented under this title.

During any one year we undertake a varying range of productions, ranging from Australian plays to Shakespeare, from musicals to lunch time theatre from the straight to the absurd.

Only occasionally are the productions limited to drama students and auditions for forthcoming productions are widely advertised around the College but particularly here in 'BARPH' (where else?)

If you'd like to know more, feel free to contact any member of the drama staff: Colin Anderson, Ray Goodlass or Peter Barton. The Drama Office is located in the group of buildings on the right as you come through Booroma Street gates into the College proper.

Or just show up at any audition you see advertised.

1981 FIRST SEMESTER PRODUCTIONS.

"THE BACCHOI" - a rock version of the Greek classic where Dionysis, the God of Wine and Opiates comes to earth to spread the word. Weird, wonderful, exotica - so big in scale that we had to take it outdoors. To open in the College Winery on April 4th for a 6 night season. Directed by Ray Goodlass; designed by John Reid; Musical Director: Max Reeder. Watch this space for further details.

"THE FANTASTICKS" - a musical fantasy with a tiny cast and superb songs. In The Dootleg Wine Bar, second week in June. Director: Colin Anderson
Designer: Tony Burdis.

"WHITE LIARS" two punk rockers consult a fortune teller at a country fair for an answer to their future. A Lunch Time Theatre production in the City Art Gallery Theatrette, 3rd week in June. Directed by Ray Goodlass; Designed by Peter Barton.

Rivcol Drama - where it's all happening!

A.H.

EATS

* GOLDEN GATE CAFE.
The ethnic experience. (1)

* MOBIL TAKE-AWAY.
Latest in food technology. (2)

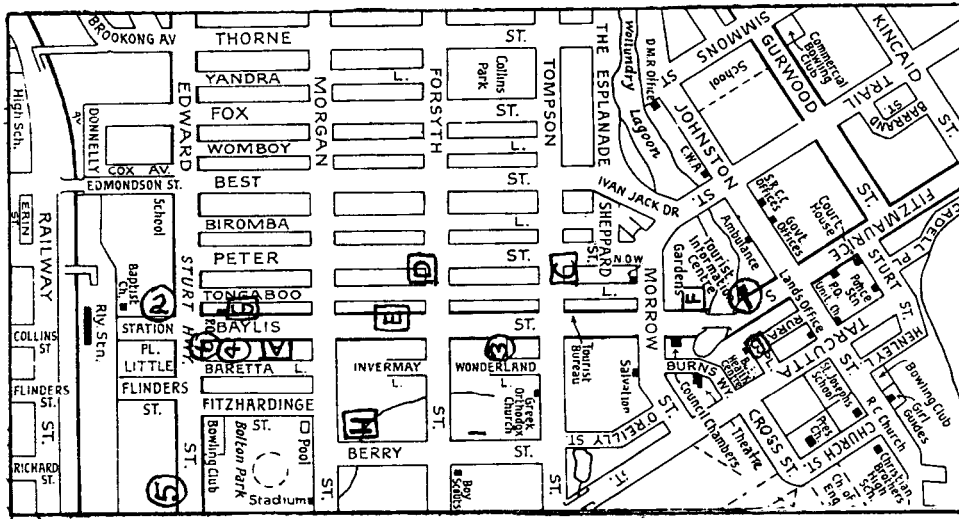

* PIZZA PLACE.
Hot-Dogs, Pizzas. meals. 25 ice-cream flavours. Good Stuff! (3)

* THE RED STEER.
Good, cheap meal. Cook your own steak and select from some great salads. Around \$6-\$8.

* RED PEPPER.
Eat here and come up with your own colourful pizza! (4)

* SHANGAI CHARLIES
The all american eating experience. For early morning munchies. (5)

Welcome to Riverina College!

You will find my OFFICE in DOMAN BLOCK, near the Doctor's surgery. Phone Ext. 243

I live in C BLOCK, South Campus. I'm also contactable at South Wagga Presbytery, Fernleigh Road, near South Campus. Phone 252111.

I'm at the College to support and encourage students who wish to be part of a Christian Community or who are searching for the true values of Christianity. While being a Catholic priest, with a special interest in the Catholic Community, I support other Christian groups like the Christian Fellowship and the Uniting Church Fellowship. Please feel free to call either at my office or at South Campus.

WHAT'S HAPPENING THIS SEMESTER?

A MASS to inaugurate the College year will be celebrated at OUR LADY OF FATIMA CHURCH, Bourke St, Sth Wagga, just near South Campus on SATURDAY 7th MARCH at 7PM. Afterwards, come to C BLOCK for eats and drinks, and to meet some new friends. If you are living at MAIN CAMPUS transport will be arranged to bring you into town.

MASS is celebrated EVERY SUNDAY at 7PM on MAIN CAMPUS, in the white Student and Community Affairs Building in 'Nappy Alley', beginning on SUNDAY 1ST MARCH.

WEEKEND RETREAT is held each Semester. It's usually a quiet, informal, reflective weekend with plenty of fun and sharing in peaceful surroundings. The venue is BLOWING FOREST CAMP, near Batlow and our camp this Semester is on Weekend 20th - 22nd MARCH, Friday evening till Sunday afternoon. Cost just \$12. Seek me out for further information. Keep the weekend free!

"PREPARE": FOR COUPLES intending to marry or couples in a steady relationship, this is an instrument designed to help you learn more about yourself, your partner, and your relationship. It enables you to identify the STRENGTHS of your relationships and also any areas of TENSION which you may need to work through with your partner. It has no specific religious orientation, and all consultations are confidential. I am trained and authorised to administer "PREPARE" which requires an initial session, followed up by a feedback session. See me for further enquiries.

MARRIAGE AND FAMILY DISCUSSIONS are being held in Wagga in the coming weeks. This programme consists of 5 home discussions focusing especially on MARRIAGE. If you

would like to join a group or form a College group, you can make arrangements through me. Kits are available for the course.

Father, I'm confused.
One minute I'm up....
the next minute
I'm down....

Then you must
pray to the patron
saint of ups
and downs....

AG CLUB

The Wagga Agricultural Club is the coordinating body of the students in the School of Ag. and its broad aim is to foster the social and sporting interests of Ag. students. All Ag. students are expected to join.

The executive of the Club extends a warm welcome to 1st year Aggies, and in particular the uncles and aunties amongst you. A welcome back is also in order for those continuing on in 2nd to 5th year!

You will quickly find that Ag Club activities will constitute an important part of your College life. During the year the Club holds two formal balls, two dinners, debating night, presentation night, Melbourne Cup Calcutta, Mott auctions, Mott race, athletics and swimming carnivals, Rugby series, tennis competition and other social events. Some of these competitions are held on an inter-year basis.

1st year Ag students should remember that we've got answers to most of your problems - but you must ask eg. if you are looking for accommodation track down an Aggie for help. Start with the Union bar. It is a good idea to ask another Aggie, even if the college accommodation service has found you a flat in town, as we may know of something more convenient or suitable to you.

The club executive look forward to talking to new members on Thursday (enrolment day) on the Union lawns. Hope to see you soon or sooner!

OPEN DAY

An "Open Day" letter to all students.

In October last year, I explained that we were organizing an Open Day for Saturday the 4th April. That's now only a matter of 4 or 5 weeks away.

We are inviting people from all over the region to join us anytime from 9am to 5pm, to see or participate in a range of displays and activities that relate to our work and life.

This function has all sorts of benefits. For instance, many people in Wagga City haven't even been on the College grounds. Others have reservations of the amount and variety of work that students and staff have to cover. Again, few know of the social and cultural activities that students learn to organize for themselves.

Open Day will do much to improve public knowledge of us.

If you look at the draft program displayed on the notice board outside the Union and Swan Theatre, you can see the variety of things that are available. To encourage people to visit us, we have tried to blend the serious aspects with a "fun" interpretation of the activities involved in our work.

You will also notice that the Union activities aren't specific. You will be asked by the various clubs and the Union management to help publicise all sorts of aspects of student life. There's not much time, so be prepared to get into it quickly.

Open Day isn't just for visitors. Even if you have been for some years, there will be a lot of places on the College that you haven't seen, and activities that you didn't know about. Whether you're a new or continuing student, this is an ideal chance to move around the campus and see what people do in other sections.

As it's an all day function and we expect between 5,000 and 10,000 people, we will need lots of helpers. We need people to give out sample bags at entry points to the College, guide traffic to parking areas and give advice at information booths.

It's our hope that nobody will be working for more than an hour or two at a time. If we can get enough volunteers, we can arrange rosters to ensure a service to visitors, and yet give everyone a chance to be with family or friends to have our own look at the activities.

If you are not already working on a display, will you contact Rob Trevethan, Psychology Department in Graham Building (phone 476) and volunteer your help?

Another item. We are asking all students and staff to wear a small stick-on label which says "Ask Me". I know this has another connotation, but our intention is that

visitors can easily identify people who can give them guidance to places on campus.

This is our first Open Day. The program looks excellent. Get involved in as many activities as you can, because it's going to be a most enjoyable experience.

Keith Lysaght
for Organising Committee

FILM CLUB

The Film Club has a showing of films each and every Sunday night, (except during holidays & long-weekends), in the Swan Lecture Theatre.

Usual cost is \$1.00 per nite, (2 films), or for \$5.00 you can get a semester ticket.

The film club endeavours to bring you as many of the latest films as possible and if you have any ideas let the executive know (Union Office mailbox) or talk to the creeps at the door of the theatre on Sun. nights.

Rage on kiddo's,
Cris "Dylan" Armstrong,

P.S.

Film festivals are a part of our activities and you will hear more of this as the semester wears on. Film Club calender will appear in RACE.

WHAT IS IT?

childcare

The Rivcoll Child Care Centre is run by the Rivcoll Student Union, but the day-to-day affairs are dealt with by the Child Care Committee. This committee is made up of parents, interested persons and a technical adviser from the School of Teacher Education. The Centre was established on campus to cater for the needs of those who wished to bring their children with them to College but couldn't take them to lectures, appointments or meetings. Originally opened for the children of students and staff in the College the Child Care Centre is now open to the general public.

WHERE IS IT?

The Child Care Centre is located on Agriculture Campus at 309 Pine Gully Rd. Access is from either the front entrance on Pine Gully Rd or from the back entrance on Cowabbie Drive (Nappy Alley) for those people who come over the hill from Boorooma Campus. The Centre is open from 9:00 am till 5:00pm on weekdays and at other times by arrangement.

WHO CAN USE IT?

Anybody at the College or in the Wagga community may use the facilities of the Child Care Centre. This includes academic and non-academic staff, full-time and part-time students, and those who have a meeting or appointment in Wagga or on Campus. Children may attend the Centre on an hourly, daily or weekly basis. A qualified school teacher is in attendance assisted by parents, volunteer student helpers and a trained part-time nursing sister.

HOW MUCH DOES IT COST?

The 1981 schedule is as follows;

FULL-TIME CARE: \$25.00 per child per week for the first child and reduced rates for any extra children from the same family.

PART-TIME CARE: \$6.00 per child per day with reduced rates for as above.
: \$1.00 per child per hour.

Kulture Klub

The KK Welcomes back sinners and new sinners to our ranks.

By golly, 1980 sure proved a big one for the Kulture Klub. Much has originated from those early meetings, in the Phone Box outside the Ashmont School for Pre-Adolescent schoolgirls.

On the home front the three Executives of the Kulture Klub all failed to gain a GPA higher than 2.0 and thus all went on probation with poor old perennial Phil Rava being wiped of the computer sheet!

On receiving their results most of the executives bolted to Bali to get their heads together (something to do with eastern religion, Buddha or something, they were mumbling crawling onto the Jumbo).

But we will bat on irrespective of our problems. This year looks like a big one with more cultural shows and courses.

This year's events may include a show featuring one of the ladies from Bangkok the boys brought back, who is able to do amazing feats with ping pong balls. Doody would have nothing on this girl!

Courses on offer will more than likely include the ever popular Break'n'Enter Car Stealing course and Indoor Pot Plant production.

Don't forget to get on Dempsey's Dramatic Tour which will be obviously one of the highlights of O Week. As with last year the Kulture Klub has given it's full support to this cultural excursion through Wagga.

Till the next time the pen hits the paper.

PAUL DEMPSEY

for the Kulture Klub executive

SPORT

VOLLEYBALL

Welcome back to all seasoned College people and may the Volleyball Club extend a special welcome to all new College people.

Whatever the status, are you looking for something enjoyable, exciting, thrilling, scintillating, stimulating and mind boggling? Come and play Volleyball! Whether you are interested in social or competitive volleyball, come to us, no matter the extent or even presence of Volleyball skills. We'll organise you into a team, or you can organise your own team, to play in the town comp.

Last year College entered nine teams in both the autumn and spring competitions. Of the four women's teams, three mens teams and two mixed teams, one premiership was attained by Wooshez in the autumn comp. while supporters saw Waminda get downed in the grand final of the spring comp. This year we hope to improve on that average with the possible organisation of a general training/coaching session for both old and new players to improve their skills. The feasibility of other training sessions will be decided upon by each individual team.

The town competition is conducted every Thursday night at the Bolton Park Stadium. The stadium itself is just off the main street in Morgan Street, right next to the local swimming pool. So for those depending on the College bus service for transport, getting to and from the stadium shouldn't prove any hassle.

The comp starts on the 12th March, so if you're interested in playing volleyball sign up at the volleyball table on Club Day, Orientation Week. Here's hoping for a big roll-up.

See you there,
Sheryl Brown
President

VOLLEYBALL

Volleyball is a strongly supported sport at College. Last year we had 8 teams competing in a strong town competition in most grades, and we enjoyed a few successes. The town competition is run on a Thursday night with the earliest games at 6 o'clock and the latest at ten. Players can play in A Grade mens and womens and enjoy a fair amount of competition or play in the lower grades mainly for a good time. Volleyball practice is run on Thursday lunchtime in the gym and all matches start the Thursday of the first week of lectures, ie. 5th March. All new and continuing players please present yourselves at the Volleyball table on Club Day, Thursday '0' Week, and remember, volleyballers have bigger balls.

SPIKE.

hi,

My name is Bruce Schubert and I work for the Uniting Church at College.

My job simply to be around and available....to anyone and everyone. To listen when you need to talk, give a hand when you need help, maybe even answer some of your questions if I have the answers.

Another part of my job will be to form useful and meaningful groups both on and off campus. Groups for doing things together. Groups for Bible study, groups for being yourself in.

During O Week drop in and say G'day, have a cup of coffee and a bit of a yarn, - thats what I'm there for.

I can be found in the little white building of the Student Services Complex ph ext 245.

Bruce Schubert
Youth Worker R.C.A.E.

"On your mark ... get set ..."

BUSHPIGS

The Riverina College Australian Rules Football Club, better known in country NSW as the Bushpigs invite any potential or interested Australian Rules Footballer to join our ranks for the 1981 football season.

The Pigs' field a 1st and 2nd XVIII in the Central Riverina League. In this league they have enjoyed one of the most colourful histories of any side. In the early life of the club (back in the early mid seventies), consistency was the key. Consistently winning the wooden spoon year after year. This was spoilt in 1978 when the Pigs, under Peter Ponting came from last after their first round to win the premiership. In the finals again in 1979 and missed by percentage in 1980. The 1980 season will be remembered as the year the bushpigs held the first ever Bushpig Debutante Ball starring Max (tangles) Walker. It has been described by many oldboys as the best evening ever staged by a college team.

Any first year dubious of the quality of athlete that has represented the bushpigs should peruse the following list:-
Neil Bruce - NSW State Aussie Rules Key
Mike Pledge - NSW State Aussie Drinking Key.

Robby Ash NSW State Aussie Whoring Key
Mal Vogan - had his bitch pregnant more times than any one Aussie Rules player in NSW.

Rod Gillett - NSW State bullshitter and major job getter doner.

Paul Butterworth - Best and fairest CRL 1980 Best and Fairest Bushpigs 1980.

Joint assist coach 1981 - Gun.

Stan Stavros - best wog president so far.

From these notorieties it is obvious we are a social club who take our football seriously when it comes to the crunch.

Our senior coach for the 1981 season will be Wayne Fox - ex Tasmanian Footballer who played with the Rock Yerong Creek in Farrer league last year. The seconds will be coached by Max Armstrong from Maher.

Our training nights during the season are usually Tuesday and Thursday nights and sometimes Wednesday as well depending on how lectures stand. Except for lecture commitments Thursdays are compulsory.

Anyone who is considering an early run, there is a group running from Wagga Beach on Tuesday nights at approx 6.00pm. The run lasts about an hour. Drinks afterwards may take a little longer.

On Thursday there will be a table set up

between the Union and the Old Gymnasium for students to sign up with the Bushpigs after they have enrolled.

On Thursday night there will be a meeting and training run for all past and prespective players at the pool Ag Campus at 6.00pm. The run is not compulsory but it is imperative that all past players attend the meeting for at least 10 minutes.

Afterwards all past, present, new and old players will be invited to adjourn to the bar to welcome in the new season in the appropriate manner.

Your Treasurer sucking piss for the Pigs.

Terry Fuller.

1st year students.....

T.J. TELLS

What to expect this year at Rivcoll
(otherwise titled - reflections by an ex-1st
year student)

Congratulations to all newcomers to Rivcoll
and also to all continuing students who are
game enough to attempt to stomach another
year.

By this time, you would have noticed a
degree of fragmentation within the College.
This College must be the least unified place
in Australia you could have chosen to
inhabit.

College campuses are spread from Griffith
to Albury, three in Wagga and a probability
is that a Goulburn campus may soon be added
to the collection.

The student body also lacks unity, with
the "Chalkies", "Aggies" and "Arties" always
fighting among themselves (The Administration
and Science students are generally ignored).

The college administration is highly
disorganised, rarely knowing what each
section is doing - as can be seen in brochures
advertising bus fare for 30 cents - three
year out of date.

And of course, do you think the Principal
could ever agree with the Student Union about
anything (its a pipe dream).

On the industrial scene, please have pity
on your lecturers. They get a very raw deal
with their working conditions. The non-
academic staff have a great method of
expressing dissatisfaction - their 30%
resignation rate per annum is an accurate
indication.

Rivcoll Sports teams, of course, are all
fighting (dare I say struggling) for suprem-
acy. Red Rugby, The Turtles, Table Tennis,
all boast in vain of their superiority. But
it is a well-known fact that the club (though
not officially recognised as a sport) with
the most active members is the Apathy Club.

(I might mention here that apathy is other-
wise known as the Rivcoll disease. The only
known cure is the influx of a greater number
of extremist activists. It doesn't matter
what you believe in, but PLEASE, this year
express it!)

I have mentioned here just the beginnings
of the factionalisation you will see at
Rivcoll.

About the only groups which are compatible
are the males and the females (at least
theres something right around here!).

Three things you find about Rivcoll:

1. Most people dislike most other people
2. The Christians love everyone
3. If you are an atheist just remember
that God made you too.

Have a great year
Your friend in Christ (TJ) 27

HANDY HINTS

* Watch out for day trippers.

Play spot the college person at BIG, BIG Union nights when we re invaded by flocks of soiled townies.

*Beware of falling trees.

Look out for the traffic officer when you go the wrong way around the roundabout.

*Never tackle college work after a Union night, although Sphincter got an "A" in micro doing that.

Instead of ringing your mum, use the 20c to play space invaders.

*Don't drink on monday night, save it until thursday night.

Set your alarm. Friday, monday, saturday, sunday.

*Don't eat at Magoos. Buy a jaffle iron/sandwich maker.

Knock before you enter the men's bathroom, esp. C block west end.

*Don't get up out of bed at 2am when you hear strange noises, unless you fancy a cold shower.

Beware of Library Science students.

*Beware of students in gumboots. Sheep especially.

Pet patrol is a definite no no, unless you're a dog.

Watch out for aviated food in the dining room.

*Don't talk to meatheads, especially pretend ones. I.E. Tamps and Dylan.

Don't ever mess with "The Grogan".

*BE sceptical of flying matter from balconies. Especially ^{if} "Herrbb" is referenced. _^

Keep all toy animals out of sight. You may return home one night to find it hUng.

*Beware of persons offering boiled sweets.

Be on the watch for thong-biters. i.e. Gobba Gropers.

*Keep your curtains closed girls when getting dressed. Boys excepted.

*Don't drink when you've been driving.

After an abbreviated(not all there) Union night, keep an eye out for working boiler men and stray home-goers. But don't worry, they don't do much!

28

OK Peoples; Now that you know a little of that which is your college, (BE IT RIUCOLL OR WAGGA AG) GET INVOLVED and...

ENJOY YOURSELF!!!
