RULES NEWS

On Saturday afternoon the rulies ventured to Junee to take on the Junee Bulldogs. After a resounding win in the first practice match against Wagga high the boys were quietly confident of success. The reserves were the first to show that Rivcol would be a force to be reckoned with in 1978. They demoralized Junee to the tune of 9 - 12 - 54 to 0 - 2 - 2. Rivcol were too strong all over the ground with the new recruits showing a great deal of promise.

The firsts showed good fighting spirit to come from behind at half time to win the game 11 - 1 - 74 to 8 - 2 - 50 this showed definitely greater fitness and better team work as the game continued.

Under new coaches Peter Ponting and Glenn Hubbard (stretch) the Rulies look like having a good year.

Next week sees the start of the competition proper when we play Marrar at

RED RUGBY

1 broken arm, 1 broken nose, 1 black eye, 1 very fat lip, 2 players carried off the field injured and another player taken to hospital; throw in a player being sent off and it was a rather eventful day for the chalkies at Griffith on Saturday for the opening round of the Riverina Rugby Union Competition. HOWEVER MOST IMPORTANT OF ALL WAS THE FIRST GRADE SCORE: RIVERINA COLLEGE 12 GRIFFITH 3. The College sides both look good and if we can maintain that form the chalkies will once again become a dominant force in Riverina Rugby.

The whole 1st XV played quite well, but it was the forwards surprisingly, enough, who paved the way for victory. The highlight of the afternoon an interception by Glenn Mullaannee who raced 45 metres to score under the posts. Others who impressed were Lindsay Brown, Mick Murphy, Dick Arnett and Sleeper who had a great day at fullback. Dave atkinson was magnificent, until he got first use of the showers and the former Eastern Suburbs and Newtown winger, Bruce Pickett also worked very hard.

The second XV's performance was also very encouraging although they were defeated 8 - 0 in their trial game against a very strong Narrandera side.

This Sunday we play the Aggies in the bi-annual derby so we WANT PLENTY OF SUPPORTERS at the match to cheer, us on, as let's face it, theres nothing much else to do on a Sunday afternoon - and ladies a cheer squad wouldn't go astray.

So remember - BE GOOD SPORTS AND ROOT FOR THE RUGBY TEAM.
