WOMEN'S HOCKEY:

R.C.A.E.(1) V's NANGUS: -

The joviality of last week, unfortunately cannot be repeated this week

After playing in appaulling conditions on Saturday, I must report that the last hope of a college womens hockey team reaching the grandfinal has sadly disappeared.

R.C.A.E.(1) was defeated by Nangus on a corner countback.

Intensive training over the last week didn't really produce much of a result. The team didn't function as it had done previously this season however we were not really defeated.

Jenny Hinkley scored very early in the first half and we managed to hold this lead till mid second half, when Nangus scored. College didn't produce good hockey in the second half and were unable to get on top of the game.

Poor decisions by the umpires didn't aid in our attempts too fight back.

With the final score being 1-1 extra time had to be played. In the event of no score the winning team was decided on corners.

R.C.A.E.(1) was defeated by 1½ corners (1 long and 1 short corner). Again poor umpiring had a major part in the result of the extra time.

In retrospect, though, college didn't really produce the hockey that Nangus did, and maybe justice did provail.

No one in college played badly and it was a hard decision to make who should come off at half time to allow our 12th player on.

So another season has come to a sad end, but nevermind, maybe next year, (for those that are left).

I've enjoyed playing hockey this year, and thankyou girls for your co-operation during recent weeks.

Linda Bradley
Captain.

Table tennis results -

- A Reserve Brown - won 9/2 (Stuart Helliwell 3 wins, Mike Lynch and Mick O'Dea 2 wins)
 B 1 Green - won 11/0 (David Cornelius, Karen Lawson and Richard Nankivell all 3 wins)
 B 1 Red - lost 5/6 (Martin Westcott-Lewis and David Jones 2 wins, Norm Philipp 1 win)
 B 2 White - lost 4/7 (Alison Richardson, Jenny Claridge and Paula Thiele all 1 win)
 B 2 Orange - won 9/2 (Randall Falkiner and Ken Page 3 wins, Allan Wheeler 1 win)
 B 2 Blue - lost 2/9 (David Scott and Alison Richardson 1 win)
 B 3 Silver - lost 3/8 (Ken Murray, Brian O'Connor and Wendy White all 1 win)
 B 3 Black - lost 1/10 (Maryanne Bonaguro 1 win).

Coach's comments - a fine start to the A Reserve team with former Hobart A grader Stuart Helliwell overwhelming all opposition. B 1 Green were refused entry into A Reserve and showed their class with an easy win. We still have vacancies in B 2 and B 3 teams, so anyone who is interested should contact club president Mike Lynch through the pigeon holes. We have the intercoll table tennis here on 23rd-24th September, so be init!

:RED RUGBY UNION:

Chalk up another hat-trick for the chalkies. Last Saturday R.C.A.E. defeated RAAF convincingly in all 3 grades.

The "Kites", with a final ditched effort came out winners 12-6 in a delayed rejuvenation of 3rd grade rugby. It was a good game played in atrocious conditions, despite a few spontaneous confrontations with the opposing players (ie brawls), but "knuckles McInerney" and Anthony's "right job" put an end to the "disagreements".

In second grade, a high spirited full strength side took to the field to trounce the RAAF 4 - 8. Despite the addition of a few 1st grade RAAF players in the second grade side, the boys didn't blow any heartilages, even against the black vampires (the RAAF's new secret weapon from the New Guinea highlands). Greg Herd narrowly escaped being their first victim, 10 minutes into the 1st half, with a wooden stake to the heart of one of their players.

In 1st grade the team brought home an outstanding win 30-0. RAAF held the side until the 2nd half when R.C.A.E. attack proved too strong for the RAAF's defence. Good mauling and scrumaging highlighted by Lindsay Brown, Glen Mullaney and Peter Munday tore holes in the RAAF's defence. The back line also worked to perfection, and this run proved a great prelude to the major semi-finals this Saturday coming, against Kapooka.

Both 2nd and 1st grade are playing the major semi-finals this Saturday. 1st grade play Kapooka at the Cricket ground, whilst 2nd grade plays Narrandera - Leeton at Narrandera.

All vocal support would benefit the teams at the particular venues on Saturday.

One last point: The R.C.A.E. Rugby Club has the most favourable position in the club championship for the '78 season, and appears to have won this title UNDOUBTEDLY.

RULIES NEWS

"Rags too Riches" was the headline used in last weeks "Agonizer" to describe the bushpigs rise in the C.R.L. to be challenging for the premiership and last Saturday playing in the preliminary final. So called informed knowledgeable sources (ROSCOE INGRAM?) predicted this would be as far as we would go, and once again we went into the game as under dogs (just the way we like it) and once again we proved them all wrong with a magnificent team victory.

Two buses and an band of 20 players and 40 or so dedecated fanatical supporters made the long trip to Barrellan for the game too watch the bushpigs do battle with last years premiers Cootamundra and amid the reapeated chants of "UP THE BUSHPIGS" the boys played magnificently showing superior teamwork, and Ted by chief bushpig Peter Ponting the side hit the front in the 1st quarter and never looked back to win the game 11 -8- 7⁴ too 6 - 8 - 50.

The Barrellan football club donated a silver tray for the best on ground and it was won by our centreman Neil Bruce with another nonstop display, which shows why he was runner up in the Leagues Best & Fairest voting. This was even more credit able because he was matched against the C.R.L.'s and Cootamundra centre and Captain Coach. Other good players were Davy Jones (not far behind Neil) with 4 goals and a great rooing display. Bruce Graham who playing at fullback held the runner up in the CIRIL. goal, kicking competition, Coota's full forward to a hand full of kicks and completely blotted him out of the game. Both Bruce and Davey are lecturers so its amazing what they can do. Other good displays, were by Neil Dal Nevo and Jacko in the ruck and Mark Conlan on the wing. But it was really a great TEAM effort.

Great thanks should go to the group of dedicated supporters who made the effort to come along and cheer the side, this made a world of difference to the players who really appreciated it.

This now moves us into the Grand Final next Saturday against Barrelan at Maher Oval at the Aussie Rules Club. It's the first time a college side has been in the Grand Final. So how about as many people as possible come on down next Saturday afternoon and really show the boys that the whole college is behind them and cheer the Bushpigs to victory next week.

- * Training this week at MAHER OVAL.
- * Thanks too Henry for the champagne.
- * Gary at Tolland for putting up with us on Saturday night.
- * Best & Fairest voting - Tuesday after the Grand Final in the Union.
- * Meeting Wednesday 16th at 5 Cullen Rd., 7.30 sharp EVERYONE BE THERE.
