FESTIVAL OF AUSTRALIAN STUDENT THEATRE

An idea has come up to hold the festival at Riverina College this year - i.e. for the Union Drama Club here, to be the host to every college and Uni in Australia. This could be a very big event with people at the top of every area of the theatre - coming to this college to give lectures, performances and workshops. If you are interested in this event or in the activities of the Drama Club, come to a meeting at 12 noon, centre meeting room (Union) this Thursday 30th March.

UNION NIGHT

This Thursday night in the Union TARMAC, a local rock band will be raging from 8pm until midnight. Be there! Bar open.

The SRC considers that the construction of the fence around campus has no practical purpose whatsoever except to detract from the aesthetic surroundings of the College. We consider it severely limits access between buildings on campus. We deplore this total waste of limited public funds.

Please sign the below form and hand it to an SRC member or leave in SAO office.

"The SRC and the undersigned petitioners hereby condemn the administration of the R.C.A.E. in construction of a fence around Agricultural Campus and that construction of the fence be terminated forthwith."

We've got to work out dates for maintenance days, social runs etc.

Also to find out what kind of tools you want to add to our already extensive range.

Be there and find out what's happening! (if you can't make it see Paul Roberts in Business and Liberal Studies Building).

BASKETBALL BASKETBALL BASKETBALL

DRAWS - Basketball draws may also be found outside Union and at S.T.D. phones South Campus.

UNIFORM- By now every one should have either red shorts or skirts (depending on your temperature) otherwise you will not be allowed to play. Also try to wear either white or red socks. (Cheap ones at Woolies). Basketball T-shirts should also be ready in about 2 weeks it would also be great if everyone could get one of them.

COURT DUTY- every team must ref 2 nights a season. Lots of people say I can't do it and make up some excuse - IF YOU DON'T REF YOU LOSE YOUR POINTS FOR THAT WEEK AND GET AN \$8 FINE AND NOT ABLE TO PLAY UNTIL THAT FINE IS PAID. You don't appreciate the difficulty of it until you have done it!?! The best way I have found is to have 5 people go to the 2 early games and 5 to the 2 later ones.

To help with refereeing problems, a sheet will be given to all players with the rules that will help you (DON'T BE SLACK).

INTERCOLL - for 1 womens and 1 mens team on the last weekend of the May holidays, so keep that date free. In sydney.

FINAL TEAMS- outside Union any problems see your team coach or put a note in Andrew Pratt Pidgeon Hole.

OVERALL- Most teams should have settled down now, yet if any players can't or don't wish to participate please tell someone, also if you are turning up late to a game ask someone to pay for you so as you can at least play $\frac{3}{4}$ of the game. In some teams there are 12 names, this is so 2 miss out each week yet you still play 5 out of 6 games.

THANKS A LOT,

ANDREW PRATT
