CREATURE'S BALL

Yes folks this Saturday is the night of the Creature's Ball. Note especially that this will be the last Ball for 1977. Let me say that again - THIS WILL BE THE LAST BALL FOR 1977 - E² have introduced a new concept in Balls to Rivcoll. The Ball will begin at 10.30 p.m. and keep bopping till 5.00 a.m. when the sun will rise. Two top Bands will be playing - "Kindergarten Kool" (Wagga) and the incredible Sydney group that are soaring to success "Wasted Daze".

Tickets will be on sale in the Union and Student Amenities Office all week for only \$7.50. So get into your creature gear and turn up to the Hoyts Plaza on Saturday Night. We strongly advise you buy your tickets before going to the Ball. Already many have been sold and we hate to see people disappointed.

Your \$7.50 includes drink (beer & wine), food, excellent music, and the possibility of winning the creature prizes. GOOD VALUE.

LIBRARY USERS

In October a security system will be introduced into the Library. Library users will be asked to show all material to the attendant when leaving the Library. Bags, briefcases, etc., can only be taken into the Library on the condition that they be opened for inspection on the way out. Students are asked to co-operate with staff who will be involved in this system.

LOST - PORTABLE ELECTRIC TYPEWRITER, RATHER OLD, BUT FUNCTIONING. THIS WAS RESIDENT IN THE STUDENT AMENITIES OFFICES FOR STUDENTS TO DO ASSIGNMENTS ON ETC. SOMEONE BORROWED IT AND FORGOT TO RETURN IT. DO YOU KNOW WHERE IT IS?

LOST - URGENT -

Four (4) Typewriter balls in blue plastic box. They were given to someone in the Student Amenities Offices -- who was going to the South Campus, and undertook to deliver them to the "RACE" office. Were they taken to the wrong place, or left in the glovebox by mistake. We need them urgently. SEE ME - TOBY, in the Student Amenities Office.

RIVERINA COLLEGE OF ADVANCED EDUCATIONNOTICE TO ALL MEMBERS OF THE COLLEGE

At 3.30 p.m. on Friday, November 4, 1977, the Ron Potter Centre for Teaching and Research in the Wine and Grape Industries will be opened officially. The Opening Ceremony will be followed by an inspection tour of the Centre and a tasting of selected wines from the College's first vintage.

Of necessity, there are some restrictions on the numbers who can be accommodated at the Opening Ceremony and attendance will be by invitation only. A large number of people in the industries with which the College has established links has been invited. Invitations to persons within the College have been extended on the basis of direct involvement in the establishment and functioning of the Ron Potter Centre. I have tried not to overlook any member of staff or any student who has a valid claim to attend the Opening Ceremony. I apologise to any persons whom I have overlooked inadvertently and I would invite them to contact me to obtain an invitation.

In the evening, commencing with pre-dinner drinks at 7.30 p.m. in Atkins Hall, a dinner to mark the occasion of the opening of the Ron Potter Centre will be held. The cost of the dinner is \$10.00 per person. Again, I apologise to any member of the College whom I have overlooked for inclusion on the guest list. I invite any such persons to contact me to arrange an invitation.

THE FOLLOWING LETTER WAS RECEIVED BY STUDENT SERVICES, FROM NEWCASTLE C.A.E.

Dear Mr. Roffey,

The mature age students in the Diploma of Teaching Courses at this College have become increasingly concerned at their poor prospects of eventual employment by the New South Wales Department of Education upon graduation.

Recently a deputation waited on Mr. Ken Booth the Minister for Sport and Recreation, who is a local member, to place the position before him and to ask him to speak to Mr. Bedford the Education Minister on the subject.

What particularly concerns mature age students is that at the end of their courses they be given consideration for employment based upon academic results and any interview the Department deems necessary, irrespective of whether they have held a Scholarship (or either the old or new variety).

I have been asked by the mature age students' group to contact counsellors in other colleges to ask that they be put in touch with a mature age students' organisation (if such exists) or at least one of the mature age students to see if some concerted approach can be made to Mr. Bedford regarding future employment. The mature age students here envisage first of all having a meeting with representatives of mature age students from other colleges to plan future actions.

If you can help us we would be very grateful.

Yours sincerely,

Sgd: Austin Kavanagh

A.J. DAVANAGH,
Senior Counsellor.
