Tertiary Fees.

Continuing reports suggest that the Federal Government is determined to introduce Tertiary Fees next year. It appears that the Frazer government is determined to only allow the monied elite an education!

After the May holidays Barph will be looking at the ramifications of the imposition of Tertiary Fees on students and will look at ways in which students can voice their disapproval at this Government action.

If any student intends to go on the march in Canberra on Wednesday 13th May 1981 organized by AUS to protest against the introduction of Tertiary Fees then please see either John Adams or Noel Diffey in the Union Offices.

# RIVCOL UNION ELECTIONS

By John Adams

Elections for the governing body of Rivcoll Union, ie. Rivcoll Council will be held this June.

The Council of Rivcoll Union is responsible for the running of all Union Activities - it oversees and funds all activities such as entertainment, sports, clubs, student newspapers, welfare, political, Child Care, Commercial Activities (such as bar, canteens and Co-op shop) printing etc.

The Council comprises ordinary students like you! All students are eligible to stand for election together with fully financial affiliate members (eg. lecturers who have paid a membership fee equivalent to the G.S.F. \$75).

There are 20 positions to be filled in the June election - at present the Union Council is made up of 6 external students, 2 part-time students and 12 full time students.

The Union has a policy of funding External students to attend our meetings, which are held approximately every 4-5 weeks on a Friday night. Obviously the new committee can set a meeting time to suit its members. At present having the meetings on a Friday night allows External and Part-time students ample opportunity to either drive or fly to Wagga for the meeting.

With External Students now outnumbering the Full-time students 3 to 1, the Union looks forward to and envisages greater participation and involvement from External and Part-time students on the Union Council.

The Directors of Rivcoll Union all provide their time and energy on a voluntary basis. Except in special circumstances, Directors cannot also

be employees of Rivcoll

Union. One such special occasion is the President's Honorarium.

Present policy states that if the President elected to take on only one subject per Semester and devoted himself full-time to the job of President then the Union would pay the President an Honorarium of up to \$3,500. As yet these conditions have not been met and the Honorarium has not been paid.

Included on this page is a nomination form for you to complete if you intend to stand for election. Complete the details as requested, have yourselves nominated by another student, include your policy statement, a photo of yourself and forward to:-

The Returning Officer  
Rivcoll Union Elections '81  
P O Box 825  
WAGGA 2650

(If you are an External Student who is having difficulty in obtaining a person to nominate you due to isolation etc. then please contact the Union office and we shall assist you).

All Nomination forms must be received by the Returning Officer by 5pm on Thursday, April 30, 1981 late nomination forms will be ruled invalid.

The May Edition of RACE will include policy statements and a profile of all candidates who are eligible to stand. This will allow all students an opportunity to peruse the candidates and vote for the people of your choice.

External and Part-time students will have a ballot paper included in your copy of RACE for you to fill out. Full-time students will be posted a Ballot Paper which, when filled out can be either posted to the Returning Officer or placed in special ballot boxes located on campus. (Details in the next edition of RACE).

If you have any queries or would like to know more about the Union, it's functions etc, or the duties and responsibilities of a Director of Rivcoll Union, then please

## DAVE WARNER - MEDIA RECEPTION

This is an Open invitation to all students to attend a Media Reception to be tended to Dave Warner on Wednesday at 12.30pm in the Union.

The highlight of the reception will be a Countown-style interview with Dave by Rivcoll's own cultural guru, Ian "Molly" Cole, which will be filmed by media students.

The theme of the warner's Tour is "The Umpire Strikes Back" and the single is "Half Time at The Football".

As Mr Warner is a Patron of the Bushpigs, it is only appropriate that Staminade, PK Chewing Gum and Orange quarters be served by our footy hostesses.

An invitation has been extended to the Wagga media and to some prominent football personalities (all codes) and even to some umpires.

Dave Warner has some forthright views on Australian society, and the Australian rock industry in particular. The interview will provide a further insight to his opinions on the subjects.

Your attendance at this reception is most welcome.

## SLEEP NEVER RUSTS

An added highlight of the Warner gig is the appearance on the bill of the Sleep Never Rusts show featuring Al Ward and Dan Johnson.

Ward and Johnson are two of Australia's finest singer/songwriters and they also rank with the best guitarists in their field. This combination of song-writing and musicianship has gained them a strong following.

Their album "A Weigh With Words" was re-released in 1980. It won critical acclaim from the rock press. "...simply one of the finer examples of contemporary Australian singer-songwriting yet recorded" (Rolling Stone).

Al Ward and Dan Johnson are an excellent act and well worth getting along to LISTEN to.

## INTRA MURAL SPORTS EQUIPMENT

Intra Mural Sports Equipment (squash, and tennis racquets, footballs, basketball etc.) are now available to be borrowed on a day/overnite basis from the Union Store.

All sports equipment is now stored centrally in the Union Store.

## MY MISTAKE

In last week's column it was reported that the National Intercol will be held in Canberra July 6-10.

That is wrong the dates are definitely July 13-16.

That was My Mistake.

## TUITION FEES

The Fraser Government's impending decision to re-introduce tuition fees has enormous implications for students and staff of universities/colleges.

It will mean that all students - full-time part-time and external will have to pay fees (up to \$1000) to enrol.

You know what that means of course. Most students will not be able to afford to attend college.

Education should be a right not a privilege. Education is surely a much better national investment than Defence and Security Intelligence services.

Petition and Form letters will be placed in the Union to be signed and filled this week. Act Now and Protest.

REVIT UP WITH WARNER!!!

Rod.

# TERTIARY FEES.....

## a near certainty

It is becoming increasingly clear that tertiary fees will be re-introduced for the 1982 academic year.

Not only did the Prime Minister express his personal approval of tertiary fees in Perth and Adelaide in February but as well, the Minister for Education has refused to repeat the Government's pre-election undertaking not to re-introduce fees.

Well-sourced rumours indicate that this question has already been determined by the Lynch Committee on expenditure.

The Government will announce its decision before the forthcoming Premiers' Conference as the action to re-impose fees will have to be initiated jointly with the States.

By this deceptively simple manoeuvre the Prime Minister will attempt to save the Commonwealth about \$140 million - a burden which Universities and CAEs will be expected to transfer to students.

This represents less than 10% of Commonwealth outlays on higher education and for this small saving, colossal damage will result.

Enrolments will fall by at least 10% at a time when there are already too few students in higher education. Participation rates in Australia compare badly with other countries particularly America and Japan.

The burden will be felt especially by older students who through the absence of fees have recently gained access to higher education. Women will be harshly affected.

As well, the already shrinking tertiary intake of school leavers will contract as parents of would-be students recoil in the face of this additional expense.

Any action which discourages higher education must be seen as short-sighted folly but it is not surprising coming from a Government which has rejected sensible public policy development and has surrendered to the immediate demands of a committee headed by a man whose only obvious strength is his ability to maximise private profits.

## STUDENTS NOTE

### ALL STUDENTS NOTE!!!

A deputation of Art Students are seeking a meeting with Wal Fife, Local member of Federal Parliament and Federal Minister for Education.

We will be talking to him points considered by Art Students to be of vital importance to their future and well being. Some general points are listed below, if you wish to add to these, or present specific cases which Wal should be aware of, contact either Gilbert Grace (3rd year) or Marc Lewis (2nd year) Art Student Representatives. Your participation and support is absolutely necessary.

### GENERAL POINTS:-

- \* Educational preparation of tertiary art students inadequate due to Secondary Education, (specifically NSW education).
- \* Art Students' needs differ greatly to those of other academic students, ie. need for space, financial support eg. books, materials hardware, etc.
- \* Reintroduction of fees would greatly disadvantage large sections of the community - especially art students due to high cost involved in course (materials etc.)
- \* Peter T. (the possible, redeployment (scrapping)!!! of the T.E.A.S. scheme To be possibly announced next week in the Lynch report, to cut Government spending.

# EXECUTIVE OFFICERS REPORT

Tertiary Fees.

Readers of Barph will be aware that I have mentioned the re-introduction of Tertiary Fees a couple of times in past weeks. The issue was raised, not merely to fly a kite, but because there is a concerted push in the current Federal Government to re-introduce Tertiary Fees.

The Australian Union of Students are conducting a concerted nation-wide campaign against the re-introduction of Tertiary Fees. Letters will be available for individual students to sign and send to the Minister for Education, Mr Fife from the Union Office. In addition a petition will be circulated as soon as it is received. The Union is seeking support from all staff and students of the College in order that the Minister is made fully aware of the opinion of those people most directly concerned. AUS are also organising a protest march which will take place on Wednesday May 13 commencing at Australian National University in Canberra at around noon.

Many people have become very complacent about the re-introduction of Tertiary Fees and few people realise that it is less than a decade ago since students were paying Tertiary Fees.

Both academic and administrative staff of this College will be greatly effected by the re-introduction of even a token Tertiary Fee. A drastic fall off in enrolment numbers will inevitably result from the re-introduction of Tertiary Fees resulting in less grant moneys being made available to Colleges, which of course in turn, means fewer staff. If the staff of this institution have even the remotest instincts for self-preservation, they will get behind the Union and inundate the Minister's office with letters and petitions opposing any moves to re-introduce Tertiary Fees.

# promises promises...

"I can promise you honesty and integrity in Government", announced Liberal Party Leader Malcolm Fraser in November 1975. "I'd like to have a Government which people can trust."

Trust- as one dictionary explains - can mean "confidence in the truth of anything, as in the friendship, integrity of another". It can also mean "sale on credit or on promise to pay" or "an arrangement by which property is transferred to another person."

Perhaps it is only Mr. Fraser's own colleagues who can truly vouch for his friendship and integrity (one remembers with pride his public announcement in February 1975, "Bill Snedden has

my full support.....there has been continuing widespread speculation that I or colleagues of mine on my behalf are promoting a challenge to Billy Snedden. That is not so. There is no contest")

In the lead up to the next Federal Election we have collected the following list of promises - a top 40 of sure fire hits - all tried and true and perfectly reusable. We will print them over the next few weeks. "Mind you, it's not a complete list yet. Unfulfilled promises made less than 18 months ago have been omitted as these may arguably be 'still under implementation".

**1. I can promise you honesty and integrity in Government. I'd like to have a Government which people can trust.** (November 15, 1975). This promise was not kept. See below.

**2. We will maintain Medibank.** (November 27, 1975). This was a clear commitment to maintain the universal health insurance scheme. This commitment was not honored.

**3. The Australian Assistance Plan will be maintained.** (November 27, 1975). It was abolished in 1976.

**4. We will maintain present levels of assistance to Aborigines.** (November 27, 1975). In the first year of office the coalition cut expenditure by \$8 million. In two years the reduction in real terms was 24 percent. The Aboriginal housing program was cut by 44 percent in two years. Aboriginal education programs were reduced by 16 percent in real terms, health programs by 13 percent and Aboriginal legal aid by 19 percent. In the last Budget, assistance to Aborigines was \$35 million below the 1975 level.

**5. We will support wage indexation.** (November 27, 1975). Less than two months later, the Fraser Government opposed the full flow-on of the CPI rise, seeking half-indexation instead. The Government has consistently opposed full wage indexation at all subsequent hearings.

**6. Under a Liberal-National Country Party Government there will be jobs for all who want to work.** (November 27, 1975). Rather than improving, unemployment has steadily worsened. It rose from 4.8 percent of the workforce at the end of 1975 to 7.1 percent at the end of 1978. While the published figures since then have shown a slight improvement, these do not take into account the hidden unemployed. In the last

Budget, funding for one of the few effective training schemes, the Special Youth Employment Training Program, was slashed by \$50 million.

**7. We will be generous to those who can't get a job and want to work.** (November 27, 1975). Unemployment benefits have declined substantially in real terms. The money rate for juniors (\$5.15 a day) has remained unchanged throughout the Government's term, reducing it effectively by almost half. Since November 1977, the unemployed have had to wait in arrears for payment of benefits. Employees who are stood down as a result of industrial disputes in which they are not involved are now denied benefits.

**8. We will fully index personal income tax for inflation over three years.** (November 27, 1975). In 1976 the tax scale was almost fully indexed (but not quite). In 1978 it was reduced to half-

indexation (closer to a third, in reality). Indexation was abandoned altogether in May 1979. One third indexation is now proposed for July 1980.

**9. We will reduce the tax burden. We will put an end to Labor's tax rip-off.** (November 27, 1975). The tax bite for most taxpayers under Fraser has been much greater than under the Labor Government. Total taxes as a percentage of GNP are well up. Taxes relative to income levels are up. This has happened, despite tax cuts, through the effects of inflation in the absence of full tax indexation.

**10. Our reforms will give back to people money they earn by their own hard work and which Labor has taken away from them.** (November 27, 1975). Only the very wealthy are now paying less in taxes. The vast majority are paying much more. Under Whitlam, wage and salary earners contributed around 77 percent of total income taxes. Now they contribute over 81 percent, despite massive increases in the incomes of the rich non-wage earners.

**11. We will ensure that where children are in greater need because of educational disadvantage, they receive extra financial support.** (November 27, 1975). The actual policy pursued has been precisely the opposite. Contrary to the recommendation of the Schools Commission, \$13.8 million was cut in just one year, 1977-78, from the allocation to Government schools and given to private schools. Last year, \$38 million of the \$42 million cut in education spending was from the schools sector. Government schools were hardest hit.

**14. Spending on essential education, health and welfare programs will be protected against inflation.** (November 27, 1975). Except in a few isolated areas, this promise has not been kept. Expenditure on the hospital development program was reduced by 63 percent in real terms in the 1976-77 financial year. The Community Health Program was reduced by \$15.3 million. The completion of the school dental health scheme was deferred until 1990. Then again, maybe these weren't essential.

# Letters

Dear Ed,

I could not agree more with Pauline McNamara's letter last week. The proposed visit of Dave Warner is extremely degrading, disgusting and dangerous. It could precipitate a cultural revolution unequalled except for that paragon of profanity, that purveyor of paganism, that profferer of pious fraud - the immoral Normal Gunston, ably abetted by that lobbyess for the lustful, lecherous libidos - Kim Hart.

Dave Warner's long association with Australian Football brands that game as similarly profane and lacking in morals. To obtain substantiating evidence one has only to look at the terminology of the sport. With terms such as: balls, behinds, flanks, not to mention the subtlety titled "interchange" (a bastardisation of a term for group sex I am sure) and of course the often heard order from coaches to "KICK HER UP THE GUTS" (a coarse order to obey the pro-abortionist demands of the coach) who can deny its association with immorality?

Another reason why strong opposition should be mounted (like a lady wrestler?) is that Dave Warner inspires graffiti writers to vandalise sacred and historically valuable areas such as the windowless brick walls of supermarkets or the charming antiquated corrugated iron fence of the Showground.

You may support St Kilda, Mr Warner, but that will be the closest you will get to sainthood. Remember the umpire may strike back but so do boomerangs.

See you there sports fans. Yours etc.

R. Thésaurus.

In addition to the Fire and Safety Officer Mr K Whytcross, the undermentioned staff members have been trained in building evacuation and first aid procedures.

Clive Butler - Sutherland Laboratories/Engineering

Brian Bates - David Morell Laboratories

Lindsay Knight - Centre for the Arts

John Eyles - General Services Complex

Dudley Dunbar and Ian Wishart - Farm & Machinery Areas

Ken Murray - IRC - Lecture Units

Max Russell - Kitchen

These persons have been organised to mobilise assistants within their areas, in the event of a fire/accident occurring. Please use their expertise and preparedness to minimise the potential affects of fire and/or accident.

The abovementioned buildings are considered to be of a nature conducive to more complex problems in the event of a fire and/or safety matter arising. However, the nominated officers will also attend to problems arising in nearby buildings which have not been listed. While these latter buildings do not have a specially nominated officer to handle emergencies, it is expected that occupants will follow the evacuation procedures listed above each fire extinguisher.

Just some thoughts for the holidays  
You and I we are all beautiful people  
We all should be working toward a better environment,  
Consider Yourself your own body is one wondrous environment  
Do you say you are concerned yet pollute that environment,  
with cigarette smoke and excessive alcohol  
Your mind such a wondrous thing  
Does it draw in the beauty of now autumn  
Does it hunger for what is honourable just pure and lovely,  
that which is gracious of excellance, and worthy of praise,  
Or do you sink and not really care

Three weeks from College can you think these thoughts  
To change your heart you need strength  
To change you need help. Christ, is strength.  
You cannot do it your self  
Christ recreates. Through him you can become what your heart deeply wants  
There is much to understand and so much room to grow  
Yes we can work toward a better environment  
Start now think of things worthy to praise and have a beautiful peaceful holiday.

## SEXUALITY

## EXPLORED

That's the name of a series of seminars to be run through June concerned with, as the name suggests, Sexuality. Running for six weeks beginning the first week back after the May holidays, the seminars will cover such areas as:

- Sexuality for all
- Why sex....why not
- Singleness
- Marriage and getting married.

The seminars are not designed as sex education but an exploration of some of the Why questions as opposed from the what questions.

Resource people will play an important part in the success of the seminars, and will include: A person from the Health Commission, possibly a local doctor, the College counsellor and a nun, all of whom have expertise in some particular area.

Keynote of the seminars will be PARTICIPATION of members in activities, role plays discussions etc. As numbers are limited should you wish to be part of this seminar you must REGISTER quickly or before May 30.

Register by sending slip below to Bruce Schubert, Uniting Church Youth Worker, who lives in Student Services or can be talked to on extension 245. The seminars are free and further information concerning meeting time and place can be obtained on registration.

I wish to be part of the Sexuality Explored seminars. The time which would most suit me is:

- Monday 12-2pm
- Wednesday 8-10pm

# SOCCER

## FIRST GRADE SOCCER

After a septic warning from a crotchety 2WG announcer (the Brittish are cumming), our mighty star-studded first grade (because they paid more money) soccer side defeatus an over confident but well dressed Ashmont brigade of troupers. Yes, this hen-picked straight from the crown, eleven redbacks shone forth to victory with a 3-0 win.

The spot-light this week must go to two players, Billy Lyons and Ross Hetherington, where Billy as goal keeper, performed beyond the call of duty and Ross saved the day with some bone-breaking tackles in front of our goals.

One goal was scored by Mark Cooper and two by Oz (alias Osama Moustafa).

Thanks for coming!

Oz.

## SOCCER 2nd Grade

The Redbacks again this week were triumphant in their quest for the FA Cup. As was said in BARCH last week, "its not a matter of winning, but by how much".

The game against Ashmont was a close affair until we won the toss and from that point on the Redbacks managed to outplay the opposition in all facets of the game. The forwards repeatedly outran the opposing defence?? (of which there was little), the midfield (when they weren't playing in the forwards), controlled the pace of the game and the backs thwarted Ashmonts few attacking moves.

In a high scoring game the Redbacks managed to put in 15 (yes FIFTEEN goals), this could have been many more but Rob McGregor had an off day - with no goals out of 13 shots. On the brighter side goals were scored by: Daved (BUC) Oysten 5, Tony (Blue Omo) Bellomo 3, Peter (Kookaburra) Tom 3, and one each to Martin (Leo Sayer) Meech, new player Mick Brain and Graeme Robinson.

In a reasonable training run the Redbacks all played fairly well, but overall they did not take full advantage of a 9-0 half time score to use the 2nd half as a time to practice combinations and movements.

Passport photos for registration can be given to me (Breezy) personally or left in the pigeon holes addressed to M Meredith.

Yours in soccer,  
Breezy.

# RED RUGBY

Saturday saw the reddies go down in both grades to Albury at Albury.

Second grade were beaten convincingly 30-6. The first 10 minutes were dominated easily by the Reddies driving forwards. However the Albury pack picked up their game and gave good ball to a strong set of backs, to eventually run riot. The reddies didnt get it together again until the last 20 minutes when once again they showed they could play better football than the undefeated home side. Those putting in a good performance were Richman at half back, Marc Cornell at breakaway and an unknown aggie in the backs.

First Grade were beaten (God knows how) 22-10. Here the score was far from any indication of the game with the Reddies dominating play for 60 out of 80 minutes. They started the game full of fire, especially with Rob Snook looking for heads (Rob was replaced after 10 minutes with a knee injury). The pack carried on with the right attitude till near the end.

However the few lapses that were made were costly ones. The main setback was Albury's goal kicking 4 out of 6. The backs tried hard and played well but were unlucky not

to double their number of tries. Best on the day for the reds were Bruce Piggatt, Dennis Mullins and Tony Beard.

Dont worry 3 out of 4 aint bad.

RED DEVIL.

# RUGBYETTES

Red rugbyettes showed skills they never knew they had when they played the Rebels on Thursday night. They lost 3-0 but the last two games were very close. Their team work was exceptionally good and every player deserves a pat on the back - their coach would have been proud of the team's performance but unfortunately he was unable to attend due to a compulsory ed camp.

Keep up the good work and dont forget the training sessions - practice makes perfect.

The fine record of Riverina Squash sides was kept in tact at the weekend in Wollongong. A somewhat depleted womens squash side were Runners up to Newcastle and the Mens side emerged victorious over Mitchell CAE.

Riverina was untroubled in the preliminary rounds, winning 4-0 in every case. Then came the semi-final against a "cocky" Goulburn. A somewhat hungover Gary Green was to be the first casualty but after that Justin Byrnes, Alan Norris and Peter Reynolds atoned for the former's bad play.

Come the final against Mitchell and Alan Norris at No 2 drove his opponent 3-1. Gary Green then made up for his bad play in the Semis by winning 3-0 at No 4. It was just then a formality for the brilliant Peter Reynolds to ensure that the title was once again ours. Justin Byrnes then suffered his first loss of the tournament, but as the game was of no consequence a loss was not unexpected.

Riverina has now won three State titles on end with Peter Reynolds being a part of each. Peter was selected at No 1 in the State team, this was more than fully justified as his form was outstanding. The womens team comprising of Debbie Mason, Wendy Reynolds and Deirdrie McDonald were magnificent in making the final. The sudden unavailability of our No 4, Lynda Worling, threw a lot of weight on their shoulders and it was of no small effort from their part in making the final. Newcastle however were too strong, with that advantage of having a spare rubber up their sleeve. Congratulations must go to Debbie Mason who was selected in the NSW State Side.

# SOFTBALL

Dont forget Intercol training this Thurs in the common lunch hour 12-2 at the Main Campus Oval. If you did not turn up last Friday you must attend this training if you want to be picked in the team. If, for other reasons you are unable to attend, please notify me, personally or Barrie.

So come along, and be prepared to have a good weekend in Goulburn, not only playing softball but enjoying the social life.

The team will be picked after Thursday training, and you will be notified of training times, details of trip during the holidays.

Well, the pigs had a great start to the season by beating RAAF in both grades. Although the seconds started short of players, thanks to a few blokes from the other clubs we were able to field a full side. The seconds began slowly in the first quarter but took control of the game in the second and led all day.

The firsts had a harder job. They had to battle their way through all day. Woofa led the side well. The firsts had many players away on a GP camp. Once players like Butters and Fozzie return the side will be greatly strengthened.

In the final quarter the pigs began to build up a small lead. Once they reached that magic number "69" their minds began to wander.

# VOLLEYBALL

The draw for this weeks game will be posted on the notice board outside the Union and the one in the Boorooma Campus canteen.

I have only got a few results from last week's game. Waminda had a draw against Bullets. Our team work was a bit hectic as a few players were missing. The first set was very erratic but then we settled down in the second set which we won, the end result being 1-1.

The Turtles mens team had rather a large loss. All Sorts were lucky in that the other team forfeited as well as themselves. They were missing a few players who went on the General Primary camp.
