POP NOTICE TO ALL STAFF AND STUDENTS:

I would like to apologise for the inconvenience of not having a full range of groceries over the last week or so. This is because we are now buying all groceries from Sydney which will give you a much better range at lower prices. We have been buying all our groceries from Wagga and I have found that they were too dear. Unfortunately the Sydney order has been held up by a few days so please accept my apologies — and we will now have a full range of groceries this week at better prices.

Thank -you

Henry

A Car Manuel was taken from my car recently (an Austin 1800) and there is a very strong chance it was a Student. If you have it I would really appreciate its return. It cost me quite a deal of money. Please put it in my caravan annex (lot 2 South Campus) in the pigeon holes or even better still, hand it to me personally.
