

ON THE BUSES

As many people already know, there is a petition circulating the College, requesting additional bus services. The intention being to help students get to lectures and also to the library. The Administration rejected an earlier S.R.C. move to have the service improved, recently they also rejected a proposal to make available a reduced rate seasonal ticket for regular bus users. It would appear that the Administration is trying to cut their expenses by inconveniencing students.

If you support this call for better bus services, that is, every hour, to cater for the needs of students, then sign the petition or complete the form below, leave it at the Information Exchange or the Student Amenities Office.

The S.R.C. and the undersigned people, express their concern at the inadequate bus service provided by the College. We would like the College to provide an improved bus service for a trial period from the beginning of 2nd Semester until the beginning of the August holidays, a period of Three weeks. The times should be as follows:-

MONDAY TO THURSDAY

leaving South Campus 7.30 a.m., thence every hour until 9.30 p.m.

FRIDAY

leaving South Campus 7.30 a.m. until 5.30 p.m.

EDITORIAL

In reference to the last edition of Barph, in which several unsavoury articles appeared. I would like to offer apologies to the U.B.M. and Mr. Colin Anderson, with assurances that all future articles will be checked before publication. The unfortunate incidents occurred when Barph was without an Editor. As the interim Editor, I wish to stress that all articles must be short, concise and signed. The point being, if you want to have your grievances put into print, you should have the strength of character to put your name to it. All articles may be edited if unseemly comments appear, or if their length is in excess of acceptable standards. Please, if you write anything to Barph, present the facts and reserve your personal judgements. This paper is a service to you, the students, do not abuse it - use it !

RE-ORIENTATION WEEK - E²

The holidays have at last arrived. However, after 4 weeks everyone will be coming back to good old Rivcoll. E² has always taken the view that the most entertainment should be supplied when the workload is the least. So when you come back to College you've got this to look forward to:-

Mon. 7th August	-	Films in Union
Tues. 8th "	-	Pub Crawl
Wed. 9th "	-	Pat Drummond and local folk talent in a concert at the Sth. Campus Auditorium.

Sat. 12th "	-	Arnhem - top Sydney group in the Sth. Campus Dining Hall.

COME BACK READY TO RAGE !!!

Yes, E² will be holding a BINGO NIGHT on Tuesday, 4th July. The Bar will be open, (of course). Last chance to see your friends before the hols.

Speaking of holidays. Those people who agree with E² that the South Campus Dining Hall is a grotty place to hold a dance are cordially invited to turn up to a working bee on Saturday, 8th July. Here is your chance to help make your venues more enjoyable. The Sth. Campus Dining Hall is to be painted (inside) and the floor will be polished and sanded. Why not turn up for a few hours and give a hand? See Kris Albiez, myself or Peter O'Connor.

WOMENS' HOCKEYResults from Saturday

R.C.A.E. (1) defeated Wagga Leagues Club (2) 5 - 1. All played well but there are a few techniques we have to improve on before the semifinals.

R.C.A.E. (2) defeated Waratahs 10 - 1. A very good game, a lot of good backing up in the circle gave the Waratahs defense little time to rest.

Because of the success of both teams in recent weeks, they are both assured of places in their respective semifinals to be played on Saturday, 5th August. All those who are back by then are asked to come along and support the College teams.

Notices will be put up at the Library and the pigeon holes when fields and times are notified - all players to be at the fields by 1.30 p.m. on the 5th Aug. DON'T FORGET !

Sunday Aug. 6th - Packham Cup Carnival. All players interested please give Charlie your names so we have a fair idea of numbers available.

Good holidays - Keep training.

B Grade Green and C Grade White have qualified for the finals, which will start on Tuesday 11th July. The next comp. starts on Tuesday 8th August, teams have to be entered during the holidays. Any new players wanting to play should contact Doug Stewart, Room 15, East Block, as soon as possible. Remember - the Intercollegiate will be played here at R.C.A.E. in September and regular competition players will have the best chance of selection.

SQUASH TEAMS PLAY AT YOUNG

The Rivcoll Squash Teams gave a good performance in losing to the strong Young side in their second-round Webster's Cup match at Young on Sunday. Young men won 8-4 and Young women won 6-2. For Rivcoll, Mike Mitchell and Julie Ferguson starred with two wins each, with Owen McLaughlan and Doug Stewart each winning one match.

Julie Ferguson maintained her unbeaten record in the Webster's Cup series with a dogged win, 10-9 in the fifth game, against the Young No. 1 player.

Mike Mitchell, playing in the bottom bracket, won both of his matches by three games to one by running his more experienced opponents into the ground.

In the mens' section, Stephen Clough, Malcolm Campbell and Craig O'Brien each showed short bursts of form but lacked the consistency of their opponents on their own courts.

First-year players Trish Ryan, Pam McPhee and Sally Lawson all showed a lot of promise against older and more experienced opponents. Rivcoll's next two matches are against Albury, at Albury on 16th July, and then against the Wagga City Team on 30th July.
