Dear Sir,

Please note that information has been placed in a TIME CAPSULE to be opened in 2088 by THE RATS OF TOBRUK ASSOCIATION.

RIVERINA AND WESTERN DISTRICTS SUB BRANCH.

The Association has nominated the Wagga Wagga & District Historical Society as their representatives to be present at the opening and to accept the package on behalf of the Association, to be preserved as part of the Historical Society's Collection.

We would appreciate it if this information were noted on Archives records and in Historical society records held at the Riverina Archives.

Yours faithfully
