Riddle Me This...

What's easy to get into, but hard to get out of?

Feed me and I live, yet give me a drink and I die. What am I?

What comes once in a minute, twice in a moment, but never in a thousand years?

What has many keys, but can't open a single door?

I have a painted face, hands with no bones, and my oldest ancestors were made of stone. What am I?

The more you take, the more you leave behind. What am I?
