Zombie Apocalypse

Thursday 9 May

Zombie Apocalypse kicked off on-campus on Monday 29 April with the Zombie Hunting Game, which ran up until the event on Thursday 9 May. Approx 250 students registered to play the game, with no shortage of nerf blasters getting around campus and the odd flying sock ball or marshmallow.

Around 180 students got all gored up and wondered on down to the G to sip on a 'G Virus' and other interesting concoctions themed for the night.

Drug Action Week (DAW)

Have you seen this display on campus? Don't let this be you. What's Your Plan B??

MCC Sporting Subsidy

If you are playing in a local sporting comp or have a membership at a local gym, the MCC will subsidise up to 25% of the costs for you (up to \$100). Bring your receipts /proof into an SSO -

What's Been Happening

MARHS Rural High School Visits

Last April, nine MARHS members road tripped it up to Gilgandra to run health workshops with high school students in the area. Our group included OT, physio, speech pathology, health and rehab and nursing students, so we had a good range of disciplines! We visited schools in Gilgandra, Tangie, Narromine, Coonamble, Mendooran and Binnaway. The aim of the workshops was to encourage students to consider going to university and to let them know what types of health courses are on offer. We were lucky enough to stay on Clare Larkin's beautiful family farm near Gilgandra - thanks for your wonderful hospitality, Clare!

As well as visiting high schools, we also attended the Triple J One Night Stand, which conveniently happened to be in Dubbo when we were up there! We had a great time getting our groove on with Flume, Ball Park Music, Peoples Palace, The Rubens and Hilltop Hoods. We also stopped in at the Royal Flying Doctor's Service base in Dubbo. We were given a very interesting tour and even got to have a look inside one of the planes!

What a wonderful trip! Keep your eyes and ears out for more adventures and opportunities with MARHS that are coming up for the rest of the year... it'd be crazy to miss out!!

Sports Equipment & Facilities

There is a range of sporting equipment available to borrow for the day or overnight. See Lee Elliott, B 672. Students can also use the Tennis Courts at Thurgoona Country Club free, just have your student card on you.

International Student Beechworth/Milawa Day trip

We had a bus of 8 students going on a ride outside the Albury area. Since most of the students who participated stay in on-campus accommodation and are relatively new to Albury's surroundings, this trip to Beechworth-Milawa during the holidays did open up their minds a bit. We went to Woolshed Falls, the Gorge, Beechworth, the Brown Brothers Winery, Milawa Cheese Factory and the Milawa Olive Shop. And by the end of day, I do believe that everyone had their fair share of fun, whether its taking pictures, buying a few souvenirs or just chugging down glasses and glasses of wine. Do stay tuned for more events from the International Club :)

Cheers,
Tohno (International Club President)

OT MIXER @ SODENS

Wednesday 1 May

The first event that the OT Club held for the year was the OT Mixer night. This was the first time the club has run this event in a few years and it was a great success with 80 people in attendance from 1st year to 3rd (4th years on placement). The event was held at Soden's in Albury and the club provided drink specials and finger food for the people that attended.

The night started out with each person that came through the door receiving a sticker that was missing it's other half. The other was given to another student and they each had to find each other through the night and find out a few things about each other. This then formed your partner for the games throughout the night. The first game was a 'minute to win it' style game, where one member of the pair had a paddle pop stick in their mouth, and the other had to stack 5 dice onto this paddle pop stick and hold it until the minute was up. The second was an eating competition. They each formed 5 teams and each member in the line had to eat a mystery item of food ranging from tuna to a roll-up. The first team to finish eating all of the items won and each received a free drink. Many local business's got behind us to donate a heap of awesome prizes worth over \$500, and we had a few raffle and fundraising games through the night to fund the event. With great feedback from the venue, and those that attended, we feel it was a great night!

Trivia Night

Thursday 16 May

Trivia Night saw 15 tables battling it out to win over \$1000 worth of prizes that were up for grabs. UNSW entered 3 tables and ended up winning 1st & 2nd place. 'CSU I think we need to pick our act up, if we want to keep hold of these hefty prizes that our MCC kindly puts up for the night!!'

A group of 4th year Community Health students heading to Vietnam, used the night to run extra raffles and games to help raise money that goes directly to the Orphanage they attend as part of this annual placement.

Keep your eyes open for Trivia happening next session!!

OT MYSTERY BUS TOUR

Wednesday 15 May

The second event the club held was the Mystery Bus Tour. This event was also a great success with 50 people purchasing tickets for the event. We started at the G for drink's and finger food before heading off on our journey which took us to Gerogery, Culcairn, Walla Walla, Jindera and then to finish at Paddy's in town. Everyone got right behind the theme which was rubix cube, with the first years wearing pink, second years wearing green and 3rd years wearing blue. Once again the 4th years were on placement. Throughout the night everyone had to swap clothes with someone from another year to eventually end up with one colour from each year. It was safe to say we all looked pretty good by the time we got to Paddy's. We had a number of games running through the night such as the whistle and peg games and food at 2 of the stops to refuel for the night ahead. With once again great feedback, it made for a second successful night, wrapping up our events for Session 1. Bowls night and the OT Ball are on the cards for another great 2 nights ahead of us in Session 2.
