Dear Phoebe Price - Thank you for
your letter & enclosure. You do not
~~forget~~ me! and for that I again
thank you.

I have only a moment to
write. So excuse brevity. But
if you come to Sydney, do
call. I have a small "cotta"
aboriginal head I want to give
to the ^{many} ~~many~~ Teachers' College for
the "Collection" here, or perhaps
~~you~~ you would not mind taking
it back with you & having it reg.
I wrote to Mrs. Blakemore to say I
had it - & wanted someone to call
for it when in Sydney. It was

given to me by a man who had
it in Alice Springs. He said
the ~~act~~ sculptor who did the
original cast was noted for
his aboriginal heads.

will you find out for me, please,
the name of Bobby Rans' steve.
I know it's quite well, but it won't
rise from the depths, a sign
I am growing old!

I hope you are both well &
that life remains good to you -
and to Lizzie MacGulley's daughter
my long remembrance
Mary Gilmore
