CORNER OF BENT YOUNG & PHILLIP STREETS

Dear Walter

We leave this afternoon for
72 Wycliffe Road, Neutral Bay.

Thank you for your nice letter
yesterday & for cake & strawberries.

The strawberries were rather a
pulp. The railways are too slow.
The cake thank you, we can use
later, but please do not send
any more on understandably.

Please thank Catherine for
her kind thought.

I am most terribly brog.

Kate as usual is engaged
in conversation with a friend,
she did not sleep too well
last night, but all day yesterday
& it's warm again today.
I wonder when you are going
to Coimbatore?

I will write again Tuesday.
& will try to get over to Bate
tomorrow, a Cordial Respect.

The A. I. F. Soldiers & Sailors
have written to me asking
for a photo of Charlie's
& any particulars, I have
no spare photo now.
They cannot get that money
until the time is up,
what a draw money has.

I wonder if J. + Jean are in
this move.

I hope you did not have a
terrific wind storm to do
more damage.

I hope Fiddie did not Catet
meables. + I don't think

Catherine has had things

In ~~hate~~ with much love

our affectionate mother
