Dear Mr. Walter

Many thanks for your letter of the 11th inst with cheque for £. Lewis which I have handed to him. I got home alright with the Dodge Truck & found everything all O.K. with the exception of plenty saffron thistle they are very plentiful & we are putting in all the time we can at them as they will not be long now before they seed. I sent the Ford to Carregu. I hope that you have got on well with your shearing. I hear that the feed is good on Long Plain & the sheep there are doing well possibly we may yet truck 2000 more sheep there. we had a very successful summer

Lambing marked 5870 lambs & a few
stragglers to mark which will put us
to nearly 6000 & they are all doing &
looking well.

The weather here is very hot & muggy
& I think must be raining in some
parts of the State.

With kind regards to all & trust
you are all well.

Yours Sincerely,
J. Reid
