Dear Walter

I wrote yesterday to you, but I
found this enclosed letter in
the one your Aunt wrote me, &
I am writing today to send
it on to you.

I sent two Plum Cakes yesterday
uniced from Miss Bishop
the one you & the one Danby Ross.
Hope these two go through without
delay. Miss Bishop says all

bers reach their destination
allright.

The Civil Service are looking
up those other two.

The shops are all alike now
they have made mistakes
everywhere, enemy's hand at
work, its as plain as A.B.C.

The enemy is in their midst
L they don't know, but

things will fight themselves in
time, people have to keep a
quiet keen look out, say little
& be on the alert.

Hard luck on the owners of the
businesses.
