O-Week 2013

What a week it was!! Everyone pulled together to make it a really successful week. The night events kicked off with Beach Party, with about 900 in attendance.

Tuesday was the official commencement day, incorporating market day. This was a great turn out with approx 50 stall holders showing our new students what they have to offer. Tuesday ended with a many a geek turning up to Beauty & the Geek Trivia.

Wednesday was Schools day, new students got to meet

their lecturers & find out what was in store for their course & many finished the evening belting out a few tunes at Karaoke.

Thursday day sessions, gave students the chance to find out about supports & services available to them whilst they study at CSU. Thursday was topped off by a fabulous Thrift Shop formal which displayed many interesting outfits as students strutted their stuff on the cat walk. What a show put on by Mitch Markham!!

Friday saw the week come to an end with the Amazing Race, which had students work in small teams & complete a series of challenges, some fun & some just a bit yuk. Would you eat a teaspoon of vegemite or a teaspoon of crushed garlic on its own?

The evening wound up with some laid back drinks & nibbles at the G with Jack Biilman delivering some tunes.

Thanks to all the O-Week Leaders who put a great effort in all week.

Also great work on the fund-raising Albury-Wodonga Campus we raised \$1714.80 for Can Assist.

What's Been Happening

Clubs Day

Tuesday 5 March

Clubs day was a great sunny day held on the Res Oval. All clubs were in attendance with the aim of signing up both new & returning members.

The day was funded by the Murray Campus Council with acoustic music, free hot dogs & a huge blow up obstacle course. Great attendance & lots of fun.

Tug-a-war brought out the competitive side between some of our clubs.

Southern Zone Challenge, Wednesday 20th March

The Southern Zone Challenge is an annual sporting event between Wagga & Albury-Wodonga CSU. This year Wagga hosted the event & we headed up there with UNSW Albury & La Trobe. Mixed Netball & Mixed Indoor & Outdoor soccer were played on the evening. There were 8 netball teams & 5 soccer teams, with about 90 students participating from across the 4 Uni's.

Harmony Day, Thursday 21 March

Harmony Day is all about celebrating the cultural diversity of Australia. **The International Club** prepared various types of food from appetizers to desserts, most of it of which people say taste really good. During the time it was very very busy & food ran out in just a blink of an eye... not to mention even I did not have the chance to try most of the them but nevertheless it was great that most of the international students were there! I do believe in the saying, food is what brings people together & I think Harmony Day was a fine example of that... well... partly it was because of free food to students but I'll let that slip aside. The MCC subsidised the day by funding the food we cooked & putting on a free sausage sizzle. **Tohno, International Club President.**

Cheap Meall @ the Gums

Subsidised by the MCC

CSU Wagga took out the trophy, CSU Albury-Wodonga down by just 1 point. Food & entertainment followed @ The Crow Bar. A late night but a great night!

Toga Party, Thursday 7 March

To Toga or not to Toga? Well approx 450 people decided to get their Toga on for the annual event. The first big night of the year after O-week. Hopefully we'll see this turn out or better continue for the year.

'World's Greatest Shave'. Jack Fry, doing it for the cause, head shave & body wax, Ouch!!

Raising around \$2000 on the night

Colours Night (Pods & Physios), Thursday 14 March

A collaborative effort with the Pod & Physio club that saw a great turnout! It was good to see everyone getting into the spirit of things with their costumes & colours! A big thank you to all those that came along, we hope you had a really enjoyable night.

Pod Meet & Greet, Monday 11 March

Not a big turn out but still an enjoyable night for all those that turned up! To break the ice we played speed dating & I think a few romances started to blossom (Pat Doan & Duncan Harvey I saw you exchange numbers). In the end we finished the night relatively early with most people knowing a little more about their fellow pods than they did before.
