What's Been Happening

CSU Mixed Netball Comp & Frat Party

This season we had 28 teams, it was a hotly contested season with 6 teams going undefeated. The finals were very close with our 2nd semi final ending in a draw, a sealer in the penalty shootout from Emma Lumbar gifted the gypsies a great win. The minor premiers the froffdactyls and the gypsies played off in the decider with the froffdactyls coming out 10 goal winners thanks to a blinder from Benny in attack.

This year we made the decision to combine the Frat party and netball presentation night. We were lucky enough to get up and coming Albury band Idle Fret to play on the night. The night was attended by approx 200 hundred students and was a really enjoyable night. 5 teams we presented with cash prizes on the night for outstanding participation and performance throughout the season. Big thanks to Tom and the staff at the G for all their help.

CSU Albury-Wodonga Basketball Club

Last year there were a few students that got together and made a Basketball club within CSU. I

joined in mid way through the second season where I discovered that there was a lack of women playing. Pat and I got together at the start of this year and decided that we want this club to evolve and be the first successful sporting club at the Albury-Wodonga campus.

Our first season consisting of 21 members created two teams to compete in the mixed basketball competition on a Tuesday night at the Lauren

Jackson Sports Centre. We organised 25 jerseys for the teams where the club was able to pay for them through funding from the MCC and some fundraising completed in 2012.

The first game arrived where the two CSU teams went back to back and played a fantastic first game to the season. CSU 2 got up by only a goal. This showed how evenly thought out the teams were. From there CSU 1 continued to have a few losses but once they had one win, the spirits where lifted and the team became a tight nit little family. CSU 2 had some great wins along the way too.

This club has grown into a social night of fun for all members and I would like to congratulate all members of the club for a great first season. We also appreciate those who have filled in through times when we are all stressed about assignments or are on holidays. Well done everyone.

Tyrell Gilligan.
