Uni Bible Study

Podiatry Club

Run by positive, like-minded students, the MCC promotes networking opportunities for all students, raise student ideas and issues with CSU decision makers and work towards creating a better study environment. We also organise student events, work on projects to improve student life, and debate ideas in the student body.

If you're a student who'd like to make a positive difference, get involved and have your say!

Voting opens at 10am Wednesday 8th August and will run for one week.

You will be able to review nominees' profiles online before voting.

For more information, contact murray@csu.edu.au

Uni Bible Study

Question Night

5pm Tuesday 31st July in Room 751-111

Have you got questions about what life means and what happens after? Who's that Jesus guy that people talk about? What is Christianity? Do I have to do good things to get to heaven?

If you have questions such as these, Uni Bible Study can help answer them for you! Uni Bible Study is holding a Question Night on Tuesday 31st July in room 751-111 at 5pm. There will be (FREE!!) food and drink available on the night also.

A local pastor will be there to answer all your questions on the night.

Hope to see you there!

Session 1:

TOUCH FOOTBALL

By Emily Maher

It was great to reintroduce Touch Football into our Social Sport Competition this year and have had significant interest and support from the students. We had great numbers with ten teams signing up to participate, with all teams wanting to see this competition run well by turning up on time for their matches and putting their hands up to do duty each week.

We had seven rounds of competition and ended with 'knockout finals' and then the Grand Final. Our Grand Finalists were 'Blue Ball Grabbers' and 'Please Touch Me.' 'Blue Ball Grabbers' went in to the match as the favourites being undefeated throughout the whole competition. The grand final was an incredibly intense and low scoring game with scores being tied for most of the game. The match ended in a draw and we went into overtime playing 'drop-off' until we had a winner. The game ended with only one try separating the teams and 'Please, Touch Me' coming out as our winners!

I would like to thank everyone that was involved in the competition and Grand Final and especially those who turned up to support our teams in the icy cold conditions!

Please, Touch Me

CONNECT TO WIFI

CSU Wireless network: **Eduroam**

To connect:

Click or tap on **eduroam** from your available wireless networks, enter your CSU Student **username** and **password** and connect.

Using your mobile data, go to **wireless.csu.edu.au** for support articles and help.

No mobile data? No worries.

Visit the Learning Commons in the library and connect to Install-eduroam to go to **wireless.csu.edu.au**.

REPORT A BLACKSPOT

CSU is committed to improving our wireless coverage. A blackspot is an area on campus where there is little to no wireless signal available.

No signal? Let us know.

Go to **wireless.csu.edu.au/blackspot.html**
