your
FREE STUDENT MAGAZINE
produced by the
Murray Campus Council

The Murray Campus Council (MCC) is your student representative council for the Albury and Thurgoona campuses. Made up of 15 people, the council aims to be the student's voice both at

university and in the wider community. The council meets once a fortnight to discuss issues raised by students like yourself. The MCC is here to represent and assist you with your concerns and issues on campus.

As well as being your representative council, the MCC provides and supports many social events on campus, such as Oktoberfest and the ones you can experience throughout O-week. Throughout the year the MCC is also responsible for different information days, sporting activities and campus activities.

We are open to all students on the Albury and Thurgoona campuses; so feel free to join in on a meeting, or come along and participate in the activities and make the most of campus life.

The MCC publishes the free student magazine, Velocity. All contributions are welcome:

CSU BlueBottles Water Polo Club

Email: esubbluebottles@hotmail.com

President: Matt Hogan

Vice President: Tom Hawkesworth

The Charles Sturt University water polo team, the BlueBottles, was founded right here at Albury-Thurgoona campus. 2009 will be its 3rd consecutive year running. The club has grown beyond proportions last year having close to one hundred playing and non-playing members from all CSU campuses.

The club offers an opportunity to play or support the sport of water polo all year round. The team has a number of social functions throughout the year and trains regularly at both Wodonga and Lavington indoor aquatic centres.

2008 and was a successful year for the BlueBottles. The club entered its first women's team and took 2 men's teams to the East Coast Challenge in Sydney. The ECC competes against all universities on Australia's east coast. Both men's teams took home a medal, taking gold and bronze, while the women put in an honourable first appearance at the games.

The men progressed to nationals in Melbourne. They were hugely successful losing only one game.... Only thing was it was the final. So we took out silver medals. We were the only CSU team to take home a medal.

Despite the success in the pool and training hard all year round we love to party too, we'd love to see you at either the pool or one of our functions.

EDUCATION CLUB

If you are a student studying an Education course here at Thurgoona come and be a member of the Education Club!!

Membership: \$10 annually. Payable at the MSE Office (membership card given)

Benefits: Discounted entry into Education events, the chance to be awarded scholarships and the opportunity to have a say in making your time at University the most fun it can be!

Meetings: Members of the Education Club are invited to meet every 2nd Sunday afternoon/evening for a casual discussion about Uni news and upcoming events. Held at a local venue in town we have a chat over dinner and drinks while getting to know each other.

Join our Facebook group too... 'Education Club Albury-Thurgoona'

For any questions and further information feel free to contact
Chris Wilson (cwilso42@postoffice.csu.edu.au) or Dayna Kimball (daynamk@hotmail.com)

Annual Events:

Bak 2 Skool

Corowa Races

Christmas Party

Education Ball

Speech Pathology Club

The Speech Club aims to provide opportunities for students of the Speech Pathology program to socialise and raise money through various functions including the Speech Ball mid-year. We believe that social functions are an important part of university life and feeling connected to your peers in your chosen profession!

Anyone can be a member of the Speech Pathology Club and memberships are \$5.

You will receive a membership card that you will need to show at functions to receive cheaper entry. Details of club meetings will be posted on the Speech Pathology forum on my.csu and all members or non-members are welcome.

For more information on the Speech Pathology Club, feel free to contact the president, Kirby McLaine, at kmclai02@postoffice.csu.edu.au

Uni Bible Study is a non-denominational Christian group on campus. We have lots of fun together, enjoy great friendships, but most of all, we have the opportunity to hear great Bible talks and to tell other people about Jesus. Some of the things we've done over the years include an Albury/Wodonga kick-off camp (at the Hume weir) Jesus Awareness Week (a week packed full of events, free food, talks and outreach), a cryptic dinner, a bit of tennis, trivia and some good coffee. Keep an eye out for events coming up this year.

We also have a number of weekly activities. **WED ARVO 3:30pm:** come along for a talk and some afternoon tea. Watch for the weekly posters.

Bible discussion groups: Join in a small group as we study a chapter of the Bible
TICL: Training In Christian Living. This is one evening a week, of training (eg how to write a Bible study, answering tough questions etc.)

Everyone is welcome. All weekly events are free, so come along!
Questions? please call Chris little on 0407410894

or email ubs-committee@alburybf.org

PODIATRY

The Podiatry club is really about organising functions and things such as club clothing and the annual Podiatry Ball.

Some of the things that we do:

- Club aim: Raise money for the club so that we can help support the student social events. It's also a great way to meet and socialise with people in other year groups studying the same course.
- Major functions: Podiatry Ball, and various themed evenings held at the Sloshed Cod throughout the year.

Who can join in the fun?

Anyone! We'll accept membership from people in other courses as well. Podiatry students, however, are strongly encouraged to join the club.

Memberships: you can buy memberships throughout the year by paying \$5 at the Murray Campus Council Club Day on the Albury Campus, or at the Admin Office, you will get a membership card that you will need to show at functions or when you purchase your ticket for the ball to get the cheaper price.

Meetings:

We usually meet on a weekday evening that is suitable for most to attend at the Albury Campus library. The meetings usually don't go longer than 30 minutes. All members are invited to come and share their thoughts on our upcoming events or put forward their suggestions on other things we can do. We will also be using Facebook and email to stay in touch which may help reduce the length of the meetings in future.

MARHS

The Multidisciplinary Albury Rural Health Society

What is MARHS?

MARHS is the rural health club of Charles Sturt University, Albury-Wodonga Campus, established in 1999. It is part of a network of university rural health clubs around Australia, the National Rural Health Network.

MARHS holds fortnightly meetings at The Sloshed Cod. All information regarding these meetings and anything MARHS is organising can be accessed on our forum at my.csu

Who is involved in MARHS?

Currently MARHS has approximately 140 members, who are all CSU health students.

Our executive committee consists of two co-chairs, a secretary, a treasurer, an NRHN representative and junior representative, communication officer, social officers, a rural high school visit coordinator, a croc fest coordinator and sub-committee.

What MARHS can do for you?

Fund you to go to Conferences of National Significance (CoNS)

- Provide you with professional development opportunities
 - Mental health first aid courses
 - Indigenous speaker nights
- Provide the opportunity to be involved with rural high school visits and Croc Fests
- And much, much more....

How to become involved in MARHS:

To become involved in MARHS all you have to do is sign up as a member.

Cost: \$5 which you renew each year, however you are not obligated to rejoin!

- ❖ Once you're a member it is up to you how active you want to be within the club and what activities you want to be involved within!

The Occupational Therapy (OT) Club

The OT club involves organising functions throughout the year including the OT mystery bus tour, OT lawn bowls night, & OT ball, as well as merchandise such as OT jerseys.

The OT Club aims to organise fun events throughout the year for students and in doing so raise money for fundraising groups such as the 4th year OT Vietnam placement students. OT week is also a major part of the clubs involvement with each OT year level organising a fundraising activity with proceeds going to a local charity.

Memberships: Anyone can join the OT club by buying a membership from The Cashiers Office for \$5. In return you will receive a membership card that you will need to show when purchasing tickets throughout the year for OT functions in order to get cheaper prices.

Meetings:

We usually meet once a week for 30 minutes to an hour at The Sloshed Cod or The Star Hotel. All members are invited to come and share their thoughts on our upcoming events or put forward their suggestions on other ideas.

2-3 representatives from each OT year level will be nominated to represent fellow students in the OT club and will be required to attend the weekly meetings.

Green Adventure People

So you remember that TV show from when you were a kid called Captain Planet? Well Green Adventure People is pretty much just like that, only we kicked out the lame kid with the 'heart' ring, told the Captain to bugger off and decided to drink more beers, have more parties and basically up the awesomeness by about nine trillion percent.

Officially we're the voice of the Environmental Science students of CSU but word on the street is we're also a social group that anyone can be part of who run a bunch of mad social and outdoor adventure events every year.

We have a proud tradition of organising the Op-Shop Formal (it's like your actual formal only you're not fifteen and your new friends don't know you peed your pants in Year One); the Pimps and Ho's night (you should already have a pretty good idea of which category you will fall into); and the Oktoberfest

(like Australia Day but for pretending you're German and saying 'nien!' a lot). On the other side of things our Adventure Club organises activities like climbing days, mountain biking, hiking, snow trips, float trips and movie nights. Oh yeah, and we also participate in and aid local and national environmental efforts and causes.

So where can you get hooked up with this sweet bizznizz I hear you ask? Our first meeting will be held on the 25th of Feb at the Slosed Cod. Everyone is welcome, whether you study environmental sciences, health sciences, business, needlecraft- anything! And we meet every second Wednesday throughout the term. Come along on the 25th if you're keen to meet some (hot) people like yourself, drink some (cold) beer and learn some (lukewarm) useless info.

For more info contact out (ridiculously sensual) organising team by emailing greenadventurepeople@gmail.com

“What lies behind us and what lies before us are tiny matters compared to what lies within us.”

“Everybody Get Up Singing 1, 2, 3, 4!” Do you remember the song by the ‘90s band Five? Try hearing it as your wakeup call everyday for a week! During Rotary Youth Leadership Awards conference, an intensive training week for youth with leadership potential, there were quite a few quirks that challenged and changed my thinking. Although this may not sound appealing, now, every time I hear that song, I think of RYLA, the friends and the memories I made.

RYLA is a leadership program designed to challenge mental and physical limits of young people who have been recognised by their community as future leaders. Participants are encouraged to develop leadership qualities, conflict management skills, ethical and moral boundaries, effectively problem solve, increase community involvement, appreciate goal setting and proper planning, as well as identifying personal values.

Still not interested? This week changed my life. Now that might sound cliché, but the skills, the support group and the networks which I made, have enabled me to make better decisions, be a more competent leader, set S.M.A.R.T. goals, listen to myself and manage my personal life more effectively.

S.M.A.R.T. Goals are just one of the many things I learnt during my time at RYLA. To have S.M.A.R.T goals, they must be Specific, Measurable, Achievable, Relevant, and be set within a Time frame. Using this system, I am able to set goals for my professional and personal life which will take me a step closer to making my dreams real. I have stopped saying “Yes...But...” and started saying “Yes...And...”

Each day of the week, a variety of guest speakers dare you to move out of your comfort zone, into a new and exciting realm of opportunity. Your emotions will be intense, your values and thoughts confronted. But you will be supported, encouraged,

your opinions treasured. You will emerge from RYLA with a new sense and vision of the world, and how to react to what it throws at you.

I won't ruin all the surprises of RYLA, but there is one final challenge at the end of the week, that will push you to your mental and physical limits, tying together all you have learnt for the week, forcing you out of your comfort zone, and into a whole new way to perceive the world in which we live.

Still not sold? RYLA programs are operated all over the globe. The 2008 RYLA International was held in California this year, at the same place where the OC was filmed...and Rotary sponsor you to attend the conference. If you have leadership potential, or like a challenge that may change your life, I strongly suggest that you take this opportunity.

Before I left for this camp, my facebook status was "Sally feels like she is going on a Year 6 Camp!" when I got home, I changed my status immediately to "Sally has had the most amazing, life changing week of her life!" The inspiring words of Ralph Waldo Emerson concisely makes my point; "What lies behind us and what lies before us are tiny matters compared to what lies within us."
Sally Reichelt.

Doing a leadership challenge that promoted team work and listening skills.
