My dear Walter

I'm glad to hear you have had some good
rain for your grass. We have also had showers of rain
here at night.

The 3 (boys) in Mrs Charlton's estate arrived safely, I have
kept her, & I have signed the other two & enclosed them to you.
Beatie called to me to send her a Boston King, which I've
now done at a cost of £35

& wonder whether she wishes you to save her the Exchange & deduct
the amount from her cheque, otherwise I'll pay it in the ordinary way.

Your few Bales of wool will fall in for a good market
as that man Hall, Givindana has sold some for 36/- per lb.
I am feeling a little better now in health, & hope to see you again
in Jersey. We hope to take rooms at the Grand Hotel near Rail-
way Station. You might as well do the same unless you go to Belvidere
where you were before. With love

Yr aff. Father

hopes to be in Sydney in about
3 weeks -

I am sorry the letter I referred to
re C. B. C. investment was not
sent till a day or two ago —

I am glad your clip will
probably come into a rising

to receive £19. 19. for my clip
consisting of 1 bale a week or
so ago !!
