My dear Walter

I came to Sean's farm yesterday, & here today received
dear Charles's cheques, & had forwarded you those for £500
& £150, & have left Sean's with her.

The pass book you want may be at Corribil, but you
had better write to the Commercial & ask for a copy of it
& say the original is lost, It is not much to copy out.

We are not likely to have rain for some time.
The rooms ^{here} are comfortable, but there is a smell of paint in
them still, so I have to keep the windows open.

I hope to get better here & regain my strength, tho' it is only
4 miles off Wollemberg.

With love to you & Kate ya. aff. Father

F. Campbell

Glad to see you
here any time
you can come

My dear Walter

Thanks for sending
the cheques - We have signed
them & Father is returning
the two & I am keeping
mine -

A horrid cold change here
last night but I am
glad to say Father does
not seem to have any
more asthma.

I am just going in to the
hospital for a couple of
hours
