## TESTIMONIALS FROM WELL-KNOWN PATIENTS

Herr Rassmussen has studied Medical Botany all his life, and was under the greatest Botanist of the century, Baron Von Mueller, M.D., K.C.M.G., F.R.S., Ph.D., whose recognition he holds. After lecturing in the different States on Medical Botany, he started practising in Sydney in 1884, as a Herbal Specialist, and has practised ever since with the greatest success.

In 1885 his name was mentioned everywhere in connection with the cure of Mr. Ramsden, the then proprietor of the Great Australian Coffee Palace, who had been given up as dying by his medical attendants, and who still lives to this day.

In 1887 he was presented with a "Gold Medal" testimonial from 9 cured patients, who had been declared incurable.

In 1888 Mr. William Atkins forwarded him a statutory declaration, setting out that Herr Rassmussen had cured him of a most serious case of Nervous Debility of 22 years' standing. Mr. Atkins is still alive to-day.

Thousands of similar cases could be mentioned if space would permit, but all the original testimonials are to be seen at 487 George-street, Sydney.

Herr Rassmussen has cured and received testimonials from many leading citizens, a few of which are mentioned below.

### RHEUMATISM CURED.

On August 12th, 1892, Mr. E. W. O'Sullivan, M.L.A., wrote as follows, after all other treatment had failed:—

Parliament House, Sydney, August 12th, 1892.

Herr Rassmussen.

Dear Sir,—I can truthfully assert that, since using your Alfaline Rheumatic Pills, I have experienced an immunity from attack of sciatica. I have recommended the Alfaline Remedies to a number of my constituents, and I will do the same to all I hear complaining of rheumatic attacks. With kind regards.—I have the honour to be, yours truly,

E. W. O'SULLIVAN, M.L.A.

### NERVES CURED.

The Rev. John Best, M.A., May 12th, 1912, as follows:—

Herr Rassmussen.

Dear Sir,—I went to you a nervous wreck, after months of physical weakness, due to overstrain, nervous worry, intensified by overwork, which brought me nigh to death's door. I am now quite a new man, and look upon life quite differently. It is now a joy to live; I cannot thank you enough for your excellent vitality pills. You are quite at liberty to publish this letter. With every sentiment of gratitude.—I remain, yours faithfully,

JOHN HALL BEST, M.A.

(Rector of St. Giles' Church, Greenwich, N.S.W.)

### RHEUMATISM AND STONE IN KIDNEY CURED.

William Ritchie, Senior-Sergeant of Police, writes as follows:—

Police Station, Cowra, N.S.W., June 30th, 1914.

Herr Rassmussen.

Dear Sir,—Having suffered intensely from Rheumatism and Stones in the Kidney for over two years, I am now pleased to inform you that as a result of your treatment for about four months I am completely cured, and, in fact, never felt better in my life. You are at liberty to make any use you like of this letter, and I will be pleased to recommend anyone suffering as I did to you for treatment.—I am, Sir, yours faithfully,

WILLIAM RITCHIE (Senior-Sergeant of Police).

(He was still in good health in August, 1919.)

### PILES CURED.

Constable W. A. Walk, Police Station, Morven, Queensland, writes:—

Dear Sir,—I suffered for some considerable time from Bleeding Piles. I tried all sorts of patent medicines, without receiving any relief. Having seen your advertisement, I sent for two 6/- packets of your wonderful Alfaline Internal Pile Powders. I can safely say that after I had used the one packet I was greatly relieved, and after using the second packet I was completely cured, and I have never been troubled with this horrible complaint since.

I do hope that you will make this public, not only for your own benefit, but for the benefit of other patients who may suffer from this horrible complaint, and who may be ignorant of your wonderful Pile Remedies.—I have the honour, Sir, to remain, yours faithfully,

W. A. WALK,

Constable of Police, Morven, Q.

### ASTHMA CURED.

Flushcombe Road, Blacktown, N.S.W.

Herr Hans Rassmussen,—

Accept my thanks for completely curing me of that dreadful complaint named Asthma, and truly you cured me completely with your world-famous Alfaline Asthma Pills. I was a sufferer for over five years, and tried many remedies and doctors, but the best of them only relieved me. I write this to assist similar sufferers to get a real genuine remedy, and you are hereby authorised to publish this letter, and I will answer any letter of inquiry.—Yours thankfully,

JAMES STEVENSON.

Herr Rassmussen's ALFALINE VITALITY PILLS make a man of 40 years feel 20 years of age.

Boomi, Moree, N.S.W.

Dear Herr Rassmussen,—

I have received great benefit from your Alfaline Vitality Pills; they are the best remedy I know of for weak nerves. I feel now splendid, and never felt better in my life. I am 41 years of age, and feel now like a man of 20. Your Vitality Pills are all you claimed for them.

You can use this testimonial any way you like, and I will answer any letter of inquiry from any of your patients.—Yours truly,

M. M. BOURKE.

**RHEUMATISM PERMANENTLY CURED.**

To Herr Rassmussen,  
 In the year 1871 I was eight days in the water, sheep washing, and contracted Rheumatism and Stiffness of the Joints, and tried all advertised remedies for it without success. When I came to Sydney I had great difficulty in walking, and tried Turkish baths, which did no good. Passing your window I saw a testimonial from Mr. E. W. O'Sullivan, M.P., whom you had cured of the same complaint, which led me to try your remedies. I can, therefore, with the greatest confidence, recommend any sufferer from Rheumatism to try your treatment.

May you long be saved, under God, to be a blessing to suffering humanity.

Yours gratefully,  
 JOHN KEAY.

Witness:—EDWARD HARDY,  
 Proprietor Town Hall Coffee Palace,  
 521 George Street, Sydney.

**HEADACHES CURED.**

Mrs. A. Goldman, "Willeroi," M'Aule's Creek, via Bogabri, N.S.W., writes:—  
 Herr Rassmussen cured my mother of Sick Headaches, which she suffered with for 17 years.

 Your Eczema Pills completely cured me a year ago, after suffering from this complaint for many years. I have not had this awful complaint since.

**ECZEMA CURED.**

Mr. John J. Kingston, Thompson's Estate, South Brisbane, writes:—  
 I suffered from Eczema for 10 years, and wish to tell you what a friend I found in your Alfaline Eczema Pills, as they completely and permanently cured me of that awful complaint.  
 I tried several doctors, chemists and patent remedies, without any use, and after four years I have not had a touch of this complaint.

**CATARRH CURED.**

Mr. Harry Evans, c/o Mr. J. S. Heffernan, Oakvale, N.S.W., writes, Sept. 7th, 1914, as follows:—  
 Dear Herr Rassmussen,—  
 I called at your office last January, and obtained treatment for Bronchial Catarrh, which completely cured me.

**NASAL CATARRH CURED.**

Cooma, N.S.W., Sept. 6th, 1916.  
 Herr Rassmussen,—  
 Dear Sir,—I suffered from Chronic Catarrh of the Nose, Throat, Head and Chest. Your treatment completely cured me when all other remedies failed. I have not a single symptom left of this awful complaint.  
 HARRY JOHNSTON,  
 Cooma, N.S.W.

Ipswich, Queensland,  
 June 6th, 1913.  
 Herr Hans Rassmussen,—  
 Just a few lines to let you know that I am completely cured, thanks to you. I thought I never would get cured, and I am grateful that I received my health again at your hands.  
 God bless you and your profession.

Yours truly,  
 R. SIMPSON.

**ANAEMIA CURED.**

Miss Elsie Thompson, "Farm View," Forster N.S.W., writes:—  
 I arrived home on Tuesday and all my friends say how much I have improved, and there is no doubt I look remarkably well and feel in splendid health, and I am also getting fat, which ought to be a good sign that your remedies have done their work well.

**SKIN IRRITATION CURED.**

Mrs. Ida Ruff, McIlwraith Street, Glenmore, N.S.W., writes:—
