Water Campsee Bay
The Glen
Gundagai

Your own

My dear Walter

30 ~~Nov~~ Oct. 27

Thank you for the Postal note 1/3.

At last the drought has broken, & I hear you had
1 Inch.

We've not had quite so much, but thank God
it has broken; & we have not bought Kilen &
Armstrong's. They were holding back some hundreds
of acres, pretending, it was impure & without
proof.

Yr aff. Father

F. Campbell

We bought a small block near Holbrook.
