My dear ⁰³ Lizzie McGowan's daughter
(cross was Price) I did over
20 skulls in three periods in
hosp. for a major op. Had only
3 months to live & expected to
end on the table — I didn't.
Am still weak & trying to catch
up with endless letters as well
as wrote a book, no less!

Thank you a million times for
your thought of a m.g. prize at
the Wagga Wagga celebrations. It
must look beautiful & also
valuable. But why not have
made it ^{one} a joint one for your mother?
Too tired for more than another
Thank you — Mary Gilmore
