

22nd Feb 2014

Hey Guys and welcome to CSU for 2014! I'm Gabi Menzies; the editor of MCC Bytes for this year.

MCC Bytes is a mini-newsletter to keep you guys up to date with what has been happening on campus and with our clubs, and also what and when the upcoming events are so you don't miss out.

MCC Bytes is published every few weeks, and anyone can submit an article or just some photos if they wish, just email mccbytes@gmail.com.

I hope you all have a fantastic O-Week, I'm sure I will see you around!

Gabi ☺

MCC President's Official Welcome

Hello and welcome to what for most of you is the beginning of both your professional career, as well as the chance to create some friendships and memories that will last for your lives.

My name is Tom Madden and I am the President of the Murray Campus Council, which is otherwise known as the MCC. We are the student body on campus that ensures the student experience is a positive one by providing and supporting a number of events on campus (O Week, Uni Night functions, Club events, Residential school activities, Harmony and Stress Less Day and much more).

Hopefully you will become familiar with the Clubs that are associated with your course or sporting interest over your time here at CSU. There are a wide range of clubs available to join: from the Pod Club, Physio Club and Education Club, to the GAP, CSU Running and Basketball clubs....plus many more. The MCC works with these clubs and groups of passionate students to attempt to make the experiences for all students better, and is able to do this by providing funds and support to a range of events and strategies that run year round.

One of our most successful ventures is of course Tight Ass Tuesday which happens every week during session and involves a variety of \$2 lunch specials that varies each week. We also offer financial support to students who are actively involved in sporting activities outside of the university, which allows for students to receive money from the MCC up to 25% of total costs for sporting expenses with a maximum subsidy of \$100 per person, per calendar year. This can cover gym memberships, registration fees, and the purchasing of new swimmers or football boots.

We work with the student clubs, The G, and a variety of staff members to try to provide the best possible student experience we can. We are always looking for new ideas and motivated students, so if you think you may be keen to get involved, ask any of the Student Support Officers (SSO's) or your Team Leaders during O Week and they will direct you to me.

Nikita Tabuteau

Nikita studies the Parks & Rec degree at our campus. She is also just beginning as an MCC rep, but is looking forward to the experience.

Daniel Searle

Daniel is in the final stages of his Physiotherapy degree. Daniel has been actively involved with the MCC for the past 18 months and looks forward to working to improve the student experience for students on the Albury Wodonga campus of CSU.

Tom Madden

Tom is the president of the MCC. He is currently studying bachelor of Environmental Science & Management

Gabi Menzies

Basketball Grand Final 2013

The Basketball Club saw a successful 2013 with a win by one of the mixed basketball teams; CSU 2, in the grand final of the second season at the Lauren Jackson Stadium.

The day of the grand final came and the return of two handy players: Kelsea and Mitch. It would also be the last game for our committed Lay as he leaves CSU. The boys took the first jump ball and winning it meant a good start to the game. Playing a zone for the first half of the game meant the only option that The Heroes had were three pointers. We were great in defense collecting all the rebounds and putting pressure on the other team. At half time we were up by one point. Back on court we went with the four girls alternating subs and the three boys staying on. The Heroes started to gain on us. By the 10 minute mark they had a lead of 6 points and with our knowledge we could get their dominant player fouled off. We called time out at this stage to find some motivation to win the game.

5 minutes left in the game Lay found the courage to shoot up 4 three point shots. Making us up by 1 point. 2 minutes left The Heroes found an opening to drive and take the lead. We then got two quick breaks to take the lead. Only to then have Kurtis foul the other team. The Heroes missed their first free throw but successfully got the next. The pressure was on in the last 30 seconds. The Heroes had the ball and CSU needed to keep the pressure up so that they could not shoot with great triumph, we achieved it with a few fouls happily taken. Well-done to the CSU Basketball Club for a great season in 2013. Our three-point win was well deserved. Look forward to 2014 season with many new faces.
