Dear Ruth,

Thank you very much for your nice letter of the 11th. I was very sorry to hear about the death of your mother, and hope you will have recovered from the only too natural shock by now.

Yes, library work is very interesting and I derive a lot of pleasure from it. It's quite a good library we have now, though some subjects are rather poorly represented, e.g. Engineering. The shorthand books you mentioned are made good use of but there are not enough of them and if you could supply us with some more we should be very obliged. The best way to send them would be: Camp School, Camp 8, c/o Commandant of Camp 8, Hay, N.S.W. Then could you perhaps get me a few back-numbers of photographic periodicals? I am a professional photographer and am very much missing literature on my subject. But, please, don't bother if they are not easily obtainable or expensive. I see you still remember our last meeting in the cloisters of Westminster Abbey, well, I got a first class picture of the cloisters that time. A pity I can't show it to you. I am afraid I'll have to finish now, we are restricted to 22 lines. I hope to hear from you again. With my very best wishes, sincerely yours

Fritz
